THE SQUIRE

1994-1995

*Once Upon
Our Time . . .*

WE WERE STUDENTS AT

CAVE SPRING JUNIOR HIGH SCHOOL
ROANOKE, VIRGINIA

Once Upon

Happy Man

What's in the news, Mr. Old?

Pippi and her pal

Monkeyin' around in D.C.

Two knights in shining armor

Some people will do anything for a picture!

Gobbie, gobbie, gobbie!

Best friends are friends forever.

Once upon our time, we lived in a world filled with teachers, pencils, and homework. Our days began with the Pledge of Allegiance and ended with the afternoon announcements. We were so wrapped up in football games and Friday night dances that we almost lost track of all of the history that was being made around us: things such as the U.S. military being sent to Haiti, and O.J. Simpson being accused of murdering his ex-wife, Nicole. There was never a World Series this year because of the Major League baseball strike. Two tribes were at war in the African country of Rwanda, and there was a three-candidate senate race right here in Virginia between Chuck Robb, Marshall Coleman, and Oliver North.

To say the least, the 1994-95 school year was one of excitement, suspense, and fun. It will last in everyone's memories for a lifetime.

Lawnmower Men

Our Time . . .

ARE WE

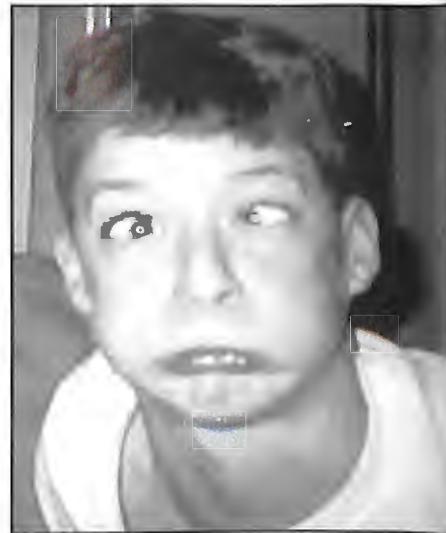

The time is *now*. The place is Cave Spring Junior High School. And the students are a little on the crazy side. From hairdos to fashions and faces, everything about us says one thing: **TYPICAL** is not the word for us! Just take a walk through the halls and see the living proof!

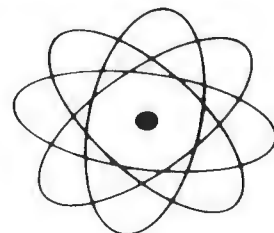

Back to the 60's!

One of our typical moods!

Clint's gonna' blow!

Ta-daaa!

The blond in all of us!

Caught in the act!

School lunches aren't THAT bad. Are they???

TYPICAL?

Feelin' . . .

Summer — what is summer? Is it long hot days at the pool or lazy days in front of the TV? Everyone has to agree that summer gives your brain (and alarm clock) a rest. Is summer sand in your bathing suit or sleeping 'til noon? The decision is yours so enjoy while it lasts!!!

All wrapped up in the fun

Sunflowers always smile

Strike a pose!

Half a dozen stud muffins

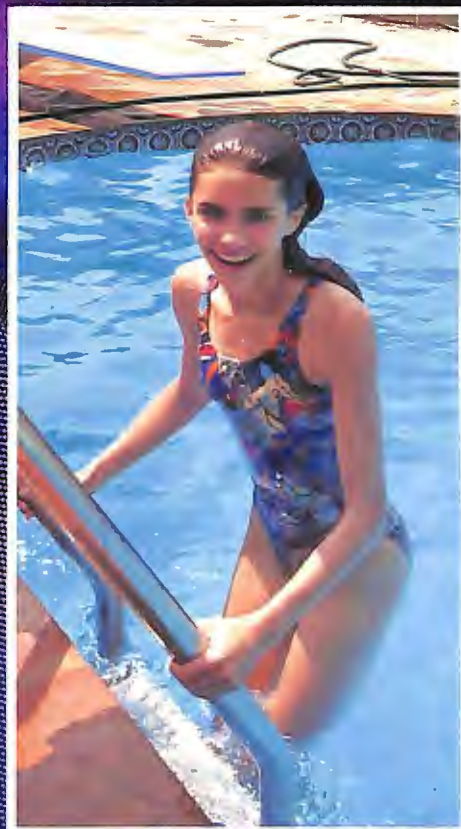

These girls know how to beat the heat.

Hot, Hot, Hot!

Beach buds

Taking a dip

Buried alive!

Seeing double

The Beginning of Our Time

In the beginning of our time, we were little and very cute. We're bigger now, but some of you are making sure everyone knows how adorable you were. Unfortunately, we could not use everybody's pictures, but here are some good ones. Do they still look the same? Match the names to the pictures:

Aimee Greenman	Jenni Horner
Beth Harms	Clint Thomas
Trevor Wiggins	Renee Gagnier
Chasity Barbour	Heather Belk
Erin Callahan	Wesley Barbour

(A) If cuteness could kill . . .

(B) Get out of my face!

(C) What are they doing to me?

(D) Yipeee!

Chasity Barbour
Erin Callahan
Clint Thomas
Renee Gagnier
Jenni Horner
Aimee Greenman
G. Trevor Wiggins
H. Beth Harms
Heather Belk

E. Huh???

F. Ha, Ha! I'll squish you with my little tike bike.

G. Dress me up and leave me on the side of the road.

H. She really was a happy child.

Have You Ever Had

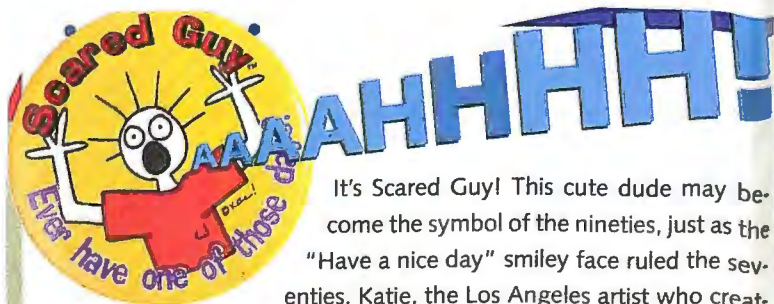

When you wake up in the morning and you know you're going to have a horrible day When you feel like you are floating on air When you run into all the wrong people When you can't get focused ! Then this one's for you !!!

When you wish you hadn't pulled an all-nighter.

When you can't decide what decade you're in.

It's Scared Guy! This cute dude may become the symbol of the nineties, just as the "Have a nice day" smiley face ruled the seventies. Katie, the Los Angeles artist who created him, says he expresses the fear many people feel in this time of AIDS and uncertainty. You can get him on T-shirts, jewelry, mugs, and caps. Call 818-753-6700 for information. —S.S.

One of Those DAZE . . .

When you're hanging by a limb. . .

When you're going for a new image. . .

When you feel like you're in slow motion. . .

When you don't feel like putting your laundry away. . .

When you don't feel picture perfect. . .

When you feel like Gastone. . .

You thought your day was bad! Seventh grader, Lorena Gomez, was walking down the hall and a guy stepped on her skirt and it went all the way down. Yes, that's right — to the FLOOR!

TEENAGE WASTELAND

Each decade is known for a certain type of music. The 60's started the psychedelic stage in music history, and was known for Woodstock. The teenagers in the 70's grooved to Disco music in polyester bellbottoms. The 80's teenagers brought out punk, wearing chains and spikes. That decade also played the first music videos. The early 90's is being labeled "Grunge," with plaid-wearing and hair-dying teenagers. And the late 90's? Well, I guess that's up to us!

"Whatta Man"

"Anytime You Need a Friend"

"Bust a Move"

Lauren's "Funkdafied"

In September the year-book staff did a survey to find out what the top 10 favorite songs of Cave Spring Junior High were. Here are the results:

Amelia looks like she's ready to sail down the "Cattahoochee".

1. *Fantastic Voyage* by Coolio
2. *Black Hole Sun* by Sound Garden
3. *Basket Case* by Green Day
4. *Stay* by Lisa Loeb
5. *I Swear* by All 4 One
6. *The Sign* by Ace of Base
7. *This D.J.* by Warren G and Nate Dog
8. *Regulator* by Warren G and Nate Dog
9. *Can You Feel the Love Tonight* by Elton John
10. *Come Out and Play* by Offspring

Have Marcy and Natalie gone "Crazy"?

"Wild Night"

CSJH's spirit comes in many shapes, sizes, and forms. From football to soccer, from volleyball to basketball, spirit is in the air. Students are always out cheering for teams and participating at pep rallies. With great teams and excited fans, the excitement never ends!

CSJH shows its spirit for Tour DuPont.

The Excitement

Shawn and Company

Maureen and her soccer spirit

All spirited up and nowhere to go

Two spirited friends

Cave Spring Junior — *spiritless*

Fielding's spirit takes him up, up, and away!

Never ENDS!

ALMOST THERE!

Throughout Cave Spring Junior High, we're constantly thinking: *almost there* to Cave Spring High! Freshmen say, "Outta' my way, I'm going to the high school!" Eighth graders are thinking, "I'll be a freshman next year!" Seventh graders say, "I'll be a pre-freshman next year!" and the sixth graders shout, "We won't be the youngest anymore!"

So what will next year bring to us? A bigger school? Air conditioning? More friends? More crowded hallways? Who knows; but in the meantime we're having a lot of FUN!

GO AWAY!

Girls will be girls!

What are you saying, Candice?

Too cute for words!

Smile and say, Cheese!!!

What are Ben and Duke up to now?

WHAT'S AHEAD:

When we think about the future, we wonder what next year will bring us. So the yearbook staff sent a survey to several homerooms, asking students what they expected their next school year to be like. Here are some replies:

9th grade:

Stacie Lumsden — a lot of new things and a lot of fun!

Anonymous — more beautiful girls for me!

8th grade:

Will Vagts — the same as this year, just harder.

7th grade:

Allison Jetton — It will be weird, especially if Hidden Valley and CSJ combine!

6th grade:

Stephen Walter — A lot of homework and harder work but also more fun.

Aren't we excited?

We're Outta Here

All year we have crammed our brains with never-ending homework, projects, reports, maps, worksheets, vocabulary, tests, quizzes, current events, ad infinitum. Now it's finally time for us to be shipped off to the high school and we don't know whether to sigh with relief or shudder with apprehension. We know that new experiences and big decisions are awaiting us. For now we shall just smile and continue on with the "best years of our lives."

The Time of Our Lives

Here in ninth grade we're having the time of our lives. We're finally the big cheeses of Cave Spring Junior High. We've had three years of being lowly little junior high students, but now we're **freshmen**; soon we'll be at the high school! Our time has come and we're having our day in the sun at last. So long, Cave Spring Junior High!

The truth's out — freshmen really are aliens!

Everyone has them, long lazy days. The days when our desks transform into beds so we can catch up on our sleep. Some of us prefer to daydream; our minds are somewhere else. Laziness takes us out of class and into the "zone"! Some people (we all know who they are) enjoy naps during some of the less exciting parts of school. (Have you ever seen anyone sleep at lunch? NO!) Summer is finally here, so we can all catch some zzz's.

As the freshmen get ready to move on to new places and new things, leaving the old behind, we look back with mixed emotions. Most of us have been at Cave

Spring Junior High for four years. Regardless of the length of time, all the freshmen have made an impact on the school, the teachers and staff, and the students. Through the good times and the bad times, the freshmen class has pulled through and become a unit as we look toward our final years together as the *Class of '98*.

Our Place In Time

Once again 180 days have passed, and that leaves only 180 more until we leave the school. This year was harder with more homework and projects. but we made it through. Good friends and good times made the year go by faster. Be positive 'cause next year, we'll rule the school.

Is it Saturday yet, Sarah?

We would help each other any way we could.

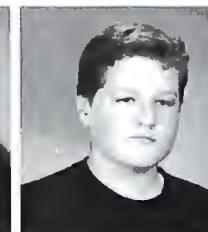

Far right: Friends are always going to be there for you.

It's been a b-a-a-d day!

Way to go, Katie!

"Porky Pig"

"Party Time"

"The Lion King and Queen"

Many older classmates compare us to cartoon characters such as "Goofy" and "Wacko." But we will soon take their place and tease the lower grades. We are one step past sixth grade, but two giant leaps toward being *Freshmen*. We cannot wait for our turn to shine. The time will fly by and soon enough we will be *TOP DOGS*.

Which one's "Goofy"?

The Beginning

The *beginning*. . . a time for new friends, new teachers, and new and different classes. Sixth grade is so different from elementary school. Lockers are the biggest change; remembering combinations, making time to go to lockers before and after classes, sharing a locker with someone else. Also being the youngest is hard. But, hey, hang in there; it's the beginning and *it only gets better!!!*

Obviously, Matt is in no hurry for junior high.

Yup, we're ready for sixth grade!

Yes, we're studying!

Aren't we a little relaxed for the first day in 6th grade???

"O.K. You get it open!"

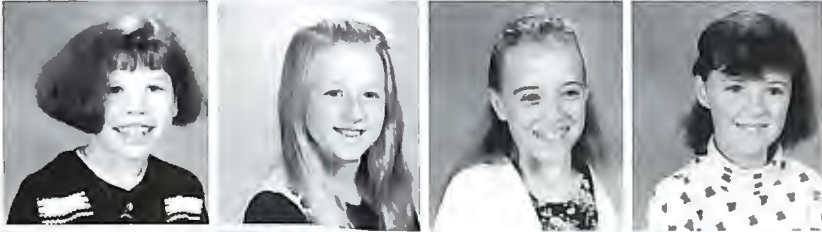

Uh? Hello, Amy!

"Look at us, teacher. We're goofing off, just like the freshmen!"

Hey, sixth graders! We all know it's hard to come to a new school with new people and new rules because we've all been through it at least once. You'll find out that it's not always care-free even when you're on top! So no worries! It gets better and each year goes by faster.

Teachers are a lot more fun when they're on a field trip!

"May I have your attention, please?"

Have you ever thought about what you want to do when you grow up? What's your life ambition? The yearbook staff asked the faculty what their ambitions were before they decided to teach. Here are some of their responses:

MR. DILLON: Win the lottery
 MRS. BURNETT: a marine animal trainer
 MS. SPRAKER: have a horse farm
 MR. MCCLUNG: be a writer (poet)
 MRS. SEDDON: I considered being a mortician
 MRS. MEADOR: Marry a rich man!
 MRS. WYNN: be a beautician
 MRS. CLEMONS: I've wanted to teach for as long as I can remember. I even lined up all of my dolls in front of a chalkboard.

For once . . . almost speechless!

No pictures, please!

WHERE DID YOU SPEND YOUR FREE TIME WHEN YOU WERE A TEENAGER?

Here's what some of the women teachers had to say:

DIANE HERCHENRIDER-Kenny's Burgers (now known as KFC on Brambleton)
STEPHANIE MEADOR-McDonald's on Lee Highway
CINDY LAWRENCE-Pizza Hut on Brambleton
JENNIFER STOUT-Dairy Queen
JANE WRIGHT-Bowling and O'Dell's Restaurant
ANNE MCGRAW- Cozy Corner drugstore for a coke and snack; then to church for pingpong or just to hang

Although dealing with the pressures of the strenuous world of teaching seems back-breaking, some teachers can't get enough hard labor. In addition to hours on their feet in the classroom, many of our teachers go the extra mile of chaperoning field trips, coaching and just hanging with the kids.

Our custodial staff doesn't have much time to hang out; here Mr. Waldron discusses assignments with Edrow Lewis, Becki Austin, Cheryl Peters, and Mike Saunders.

Clubs: Get Involved!

The clubs of Cave Spring Junior are great. Although there are many mornings we have to wake up when we really don't want to, we end up starting our day off with a smile. Clubs are a great way to have fun and make many new friends. Many clubs also help the school and community. Clubs: what would school be without 'em? MW

Cave Spring Junior High Honor Society

The Honor Society is a ninth grade club for honor roll students who receive teacher recommendation in the eighth grade. The Honor Society does service projects such as baby-sitting for elementary school PTA meetings, serving lunch at R.A.M. House, and cleaning their adopted highway.

Spirited Caring Awesome

Those three words describe the 1994-95 SCA. In the fall they sponsored Spirit Week — a five day span filled with wild and crazy outfits and wild and crazy guys and gals — and the school pep rally. They also sponsored the fall, Valentine's and spring dances, which were enjoyed by grades 7 — 9. The SCA raised money for "helping hands" and collected canned goods at Christmas. JB

JR. KEY CLUB

The '94-95 Builders Club had many active members this year. They offered their services and collected canned food and bought turkeys at Thanksgiving for needy families, filled Christmas stockings for the Salvation Army, cleaned their adopted highway, and rewarded honor roll students with ice cream coupons.

Parlez vous francais?

Here at CSJ, the French Club is a highlight of the year for all French students. They got off to a great start and have been busy ever since. Members kicked off the year with the French version of *Beauty and the Beast* and delicious French food. In December they had a big Christmas party where students were even paid a visit by "Pere Noel"! In February they celebrated Mardi Gras by eating "King" cake and making masks. Overall, French Club members have had a blast and this will definitely be a year they'll never forget.

Your Personal

Natural Helpers: you've probably heard of them before, but what are they? No, they're not a health food, but they are students that have been selected *by* students to *help* students. They deal with problems such as girlfriends and boyfriends, family, friends, grades, and many more. They go through a training session during the summer while you are out having fun and also have follow up meetings every other week. Just remember — Natural Helpers are there for you and they are truly *your personal servants*.

One of the groups Guidance Advisory helps is the Freshman Council. This group, which includes freshmen guidance advisory members and one representative from each freshman homeroom, plans activities and other functions for the freshmen class. These people are also *your personal servants* and now you can honestly say you know what they do!!!

of the Mind (OM) is a creative problem-solving competition. Students form teams and work together on a long term problem. At the end of March, the groups compete against teams from other schools in this region. CSJH sent nine teams to competition this year. They all did very well and should be proud of themselves. Last year, CSJ had a team that placed *6th in the world*. Their problem (it was called MYV) was to build mini terrain vehicles that went through certain obstacles. The members of this team were: Nick Beazley, Matt Garrett, Jon McCann, Jason Trompeter, and David Wilson. Congratulations for a GREAT JOB!

Ever heard the saying, "Music soothes the savage beast"? Have you ever stopped to wonder what in the world it means? What kind of "beast" would you choose to tame? On the other hand, maybe the musicians are the ones who need taming! Just kidding, of course. We aren't that wild in band here at CSJ. In fact, band is pretty fun...when Mrs. Wise isn't forcing those practice charts at us! We have been to New York each spring for the past two years, and we are going again this year. Last year we were rated "Superior" in the District Festival and this year we had 34 students make the All-Districts Band (including three 1st chairs) — more than any other school in our district! BEAST

Make A Of It!

The year began for Chorus with an enthusiastic group of singers. In November auditions for All-District Choir provided the opportunity for our talented singers to show their stuff. In December the group performed for the elementary schools that feed into CSJ and these kids got a taste of junior high choir. The winter concert was equally well received by the parents. In March All-County was held and CSJ was well represented. In April the singers made their annual trip to Louisville, Kentucky, where they performed at Kentucky Kingdom. Finishing the year with both talented and rollicking style, they entertained the student body with their annual freshman salute.

Service with a Smile

Although there are more than 100 teachers, staff members, and other employees at this school working hard, that still isn't enough to keep all the paperwork done, errands run, and odd jobs taken care of. Enter: the *runners*. They include about 45 8th and 9th graders who volunteer their study hall time to work in the library, front office, or guidance office, and do a great job. So thanks, runners, for all that you do!

Year in Review

One of the things students look forward to is getting their yearbooks. From the beginning of the year the yearbook staff is busy selling annuals, putting on a dance, and getting the first section of the book and the cover done. All year long we yearbook staffers keep huge secrets until the end of the year when we get to say, "I did that layout!"

EXPRESSIONS!

As we walk through the halls of Cave Spring Junior High, the many expressions and attitudes reveal our personalities. From looks of confusion to gleeful grins, the expressions of students are never the same. The camera can only just begin to capture the looks of several of the students of CSJH!

Crazed and

Yes, at some point this year we have all been crazed and confused, some of us more often than others. After all, what in this world *isn't* enough to make you bite your nails or throw up your arms in frustration? School will do it; your family will do it; and your friends will definitely do it! It seems that most of our time is wasted away feeling troubled and overwhelmed, so why not make the best of it? Try something different. Deviate from the norm. Go dancing with your toothbrush; mail a postcard to your sock; or teach potatoes how to swim — the hard way! It's simple; just try something a little zany every day, and by the end of the year your life will be full of spicy surprises. Spontaneous moronic behavior never hurt anyone; don't try to hide it! Remember, the crazier, the better!

Kickoff Time!

In the heat of August, 40 young men started the school year a week early. . . on the football field. After a week, it dwindled down to 30. A few weeks later, it was down to 27, and those 27 spent a grueling two months representing Cave Spring Jr. High on the gridiron. Their final record of 2 wins, five losses, and 1 tie did not reflect the effort or enthusiasm that these young men exhibited.

On the offensive side of the ball, quarterback Brandon Funk led the team and was the MVP. Alex Bohm helped anchor the offensive line. Erik Min and Brad Chase caught Funk's passes, and Chad McDaniel did most of the running. On the defensive side, it was a team effort, led by linebacker Chad Reed, who was named the MVP.

Other award winners were Brad Chase for most improved player, and Matt Fusco and Matt Schrader for their hustle, good attitude, and determination. The team was glad to have four coaches this year. In addition to head coach Scott Beard and assistant coach Brian Ford, Scott Simmons and Stacy Anderson were volunteer coaches and their efforts were greatly appreciated. Overall, the players and coaches had a rewarding experience working together and really had a fun time on the field.

The CSJ football team is getting a pep talk.

Brad just missed the ball; it was a little too high.

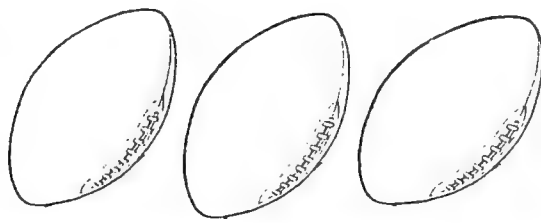

Quarterback Brandon Funk and the center Chad Reed run a play called "the nudge." The rest of the team does not know what they are doing. This is a risky but effective play.

Chad Reed is getting ready to call a huddle. Brandon Funk is preparing to call the play

BALL

F R E S H M E N

The freshman boys' basketball team enjoyed a great season under first year coach Chris Morris. The team captured the district title with a 10 — 1 record as well as being 11 — 2 overall. The highlights of the season were a three point win over district rival William Fleming and a 77 — 64 win over Patrick Henry. The varsity next year can look for help from these rising sophomores.

Tyler looks ready for action.

Brad's jump shot needs a little work!

Mike looks for the open man.

Josh wants the ball in the paint.

Daniel motions for the ball.

FRESHMEN BASKETBALL TEAM: Front row-Clay Haley, Ben Cole, Wally Kern, Justin Dowdy, Mike Duncan; Row 2-Tyler Kirby, Andre Martin, David Schwarz, Rick Kierker, Cory Paxton; Row 3-Coach Chris Morris, Josh Holmes, Jon Derryberry, Darnell Glover, Daniel Penn, Brad Cullinan

TEAMWORK

Teamwork is probably the best word to describe this year's girls' CSJ basketball team. As co-district champs and having a 13 — 1 record, they were definitely *awesome*. Their only loss was a close, double-overtime heartbreaker to William Byrd, who was the other co-district champ. So congrats, gals, you deserve it.

You gotta' make 25 before you quit!

Tamryn Vineyard asks for support for their big game.

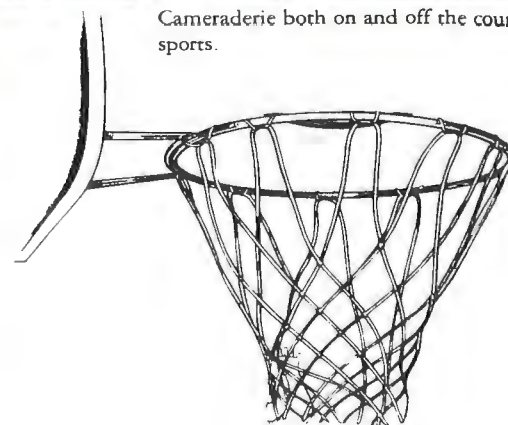

CSJ BASKETBALL TEAM: Front row-Emily Caldwell, Holly Christley, LeeAnn Thornton, Catherine Aydlett, Cameron Maeder, Allison Dowdy, Jenny Carter; Row 2-Whitney Freeman, Sarah Slovinsky, Mindy Reynolds, Brooke Christley, Laura Nasca, Mary Thomas, Marcy Nussbaum, Kelly Foy; Row 3-Coach David Carter, Beverly Anderson, Katie Walters, Sarah Payne, Renee Gagnier, Sarah Rutherford, Tamaryn Vineyard, Cami Chapin, Coach Doug Cunningham

Warmups are important to get ready to play.

Cameraderie both on and off the court is a big part of team sports.

COUNTS!!!

Teamwork makes victories!

Jessica prepares to serve the ball.

No doubt this year's volleyball team has been a great one, and they sure had a lot of fun. They showed great teamwork and worked . . . er, played like a well-oiled machine. Tons of practice went into this season, and it paid off. They defeated Hidden Valley twice and proved that "we got what it takes!"

Renee and Megan — goofing off

Great block, Megan!

VOLLEYBALL TEAM: Front row-Megan O'Hair, Sara Slovensky; Row 2-Sara Balzer, Julia Slack, Jessica Craig, Brooke Carlin, Jessica Norris, Kristen Jekielek, Laura Frankeberger, Jennifer Craig, Kelly Poy; Row 3-Emily Caldwell, Mary Thomas, Megan Turner, Cami Chapin, Sarah Bassett, Renee Gagnier, Coach Melissa Doll, Sarah Payne, Austin Clark, Allison Jetton, Brooke Christley, Ingrid Ozanich

Kicking Into Action

SOCCKER TEAM: Front row-Walker Bell, John Kraemer, Matt Fusco, Ryan Sink, Josh Krehbiel, Doug Linn, Brandon King; Row 2-Jamie Hippensteel, Zach Bain, David Wilson, Nathan Gardner, Kristen Winterich, Joe Slack, Maureen Ernst, Nathan King, Heather Belk; Row 3-Carrie Meador, David Schwarz, Matt Canfield, Ryan Raisor, Brent Bowles, Daniel Penn, Laurie Wilson, John Gallagher, James Dixon, Nicky Powers, Alison Manetta, Coach Ed Stear

The 1994 Cave Spring Squires' soccer team was a first ever with three girls on the team. It seemed to pay off. Kristen Winterich was voted Most Valuable Player. Most Defensive Player was Brent Bowles and Most Offensive Player was Ryan Raisor. The team had a great year with a record of 6 wins, 3 losses, and 1 tie. Until this year CSJ had never tied or beaten William Byrd. Next year's team should prove to be even more successful.

Nice throw, Kristen

RUN, RUN, RUN!!!

"Move the ball!!" the coach shouts.

Go, TEAM!

Even on the bench, the players still have fun.

The starting line up.

WRESTLING TEAM: Front row-Sarah Clatterbuck, Paul Brunk, Chris Poulter, John Kraemer, Brad Overfelt, Daniel Chapman, Tommy Reeder, Kevin Henderson, Michael Kraemer; Row 2-Jeff Fuller, Landon Metts, Matt Dunne, Jonathan Farley, Jonathan Neighbors, Matt Fusco, Todd Setchel, Ryan Setchel; Row 3-Coach Stacey Anderson, Walker Bell, Robert McFall, David Wilson, Alex Bohm, Brad Chase, Johnny Blanding, Brian Hawkins, Bobby Blanding, Coach Ron Pritchard

Paul is congratulated after "the kill."

Brad anxiously awaits the whistle.

How much longer do I have to do this?

I won! I really won!

Don't give up now.

Look, Mom, I can fly!

Cave Spring Junior's wrestling team posted a winning season for the first time in eight years with a record of 4 wins and 3 losses. The boys really worked hard and their victories were exciting and satisfying. Brad Chase led the team with an undefeated regular season and Keith Clifton was a district tournament champion. Also finishing well were Jonathan Neighbors and Matt Fusco. Wrestling is a sport that many people know little about and often judge it by the ridiculous TV matches. Scholastic wrestling is a sport requiring discipline, self control, and hard work. We congratulate our boys for a super season.

The '94 girls' track team was district champion with a record of 5 — 0. They also placed first in the Cosmopolitan Invitational Meet. It was a dedicated team led by co-captains Amy Causey and Erin Callahan. The most outstanding team member was Mindy Reynolds; best-all-round was Amy Causey; most improved was Michelle Lancaster; and the coaches award went to Mandy McCall. Cave Spring can be proud of these girls!

Track makes the best of friends.

The guys are getting some extra tips from Coach Carr.

Running Through Time

The 1994 boys' track team completed a successful season with a 4 — 1 record. The team worked hard during chilly days in March and improved their times with each meet. The season was highlighted by many record breaking performances. It was a year to remember. Congratulations on a fine showing, guys!

Cave Spring Junior was well represented this year at the high school. The freshmen athletes were competitive in every sport; the varsity cross-country, tennis and basketball teams all won their district. The JV basketball and volleyball teams won their districts and the swimming, wrestling, and indoor track teams did well. Athletics at the high school level require much more time and commitment and the level of competition is much more intense. CSJ is very proud of the young men and women who play for Cave Spring High School.

Who Are You Going To Call. . .

When a locker jams
When the snack machines don't work
When the lights flicker
When a room is too hot or too cold
When the sidewalks are icy
When the gym, cafeteria, or stage need to be
set up for dances, assemblies, or banquets.

Because he's here early and late, weekdays
and weekends, summers and holidays

The 1995 *Squire* is dedicated with much

Superfreshman

Stare into these eyes and you just might fall in love. *Rhonada Rusmisl and Josh Holmer* were voted **BEST EYES**.

Great in many ways, *Duke Dodson and Allison Elias* were voted **BEST ALL AROUND**.

Katie Roberts and Brad Cullinan often leave us in hysterics with their **WITTIEST** remarks.

What a difference three years can make! Our **MOST CHANGED** are *Amanda Weekly and Brad Hughes*.

Lynsey Markey and Justin Cox are a little more than wild and crazy; they are the zaniest.

Most likely to be famous: When we grow up, we'll see the faces of *Brian Luedke, Sam Banks, and Lindsay Higginbotham* on all the magazine covers.

SUPER FRESHMEN

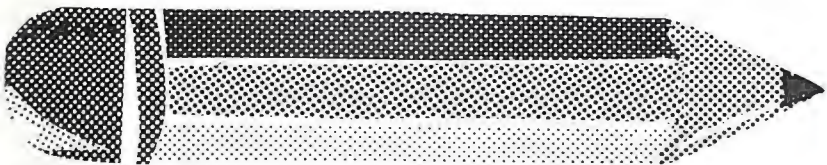

As Most School Spirited black and red are Blake Points' and Clint Thomas' favorite colors

Sugar and spice aren't all that's nice; Jessica Bennett and Aaron Williams are the friendliest freshmen!

We will always remember Brad Emery and NayDe Paige.

Along with their colorful personalities, *Nathan Gardner, Misty Blankenship, and Ritu Maghera* are most artistic!

As Most Likely to Succeed, *Ashley Puig and Daniel Penn* are the leaders of tomorrow.

Most Athletic: when it comes to sports, *Tyler Kirby and Amy Causey* have got what it takes!

Most Musical: the world will soon hear the music of *Kerry Fair, Jon Derryberry and Josh Sparks*.

A top student, Daniel was first place winner at the school science fair.

1995 MY LADY: QUEEN OF CSJ: ALLISON ELIAS

A responsible student with a 4.0 GPA; a caring student who thinks about others; a natural helper; treasurer of the Honor Society; an involved student with school spirit; member of the Builders' Club; SCA treasurer in seventh grade; secretary of Freshman Council; an athletic student with energy and enthusiasm; cheerleader in 8th and 9th grade; CSJ basketball team in 7th grade; a dancer; a music student; plays the piano; voted Best All Round by her peers; a true leader by example. . . Our 1995 My Lady is a lovely, sincere, person who treats everyone with respect and dignity. Allison truly deserves CSJ's highest accolade.

Allison is treasurer of the Honor Society. Here she serves Brett Miller at the induction ceremony.

Cheerleading is fun but it takes lots of time and energy. Our My Lady is very school spirited.

Supporting school functions is important. Allison and other freshmen had a great time at the Valentine Dance.
