

THE SQUIRE

74-75

To a guy in my gym class
who needs to grow about
6' and to jump 4' higher
and to run twice as fast
and needs to be twice as
smart hope you have a
nice summer and see
you next year if you
don't move back to
Colorado,

Stanley

THE WAY WE WERE — 9th GRADE

Why can't I eat it?

Is is soup yet?

Triplets????!!

Meanwhile, back at the ranch . . .

How many times do I have to tell you?

THE WAY WE WERE — 8th GRADE

I think my privacy is being invaded.

Mother never told me about Ultra Brite.

What do ya mean I'm not old enough to kiss girls?

Do I have to stay in this thing Mom?

Anybody got a band-aid?

THE WAY WE WERE — 7th GRADE

Free at last!

What's everybody looking at me for?

He's mine and you can't have him.

And away we go!

How sweet it is!

MIDNIGHT AT THE OASIS

Just three pounds over weight.

What do you mean it's stuck?

Look what we found under the Christmas tree!

It's the latest hair style.

Wonder what the wife is having for dinner tonight?

To a
who talks
baby talk.
