"PENN FOREST  
IS GIVING MORE THAN EVER  
ARE YOU?"

by: Frank Craighead

Mrs. Pat Sales

# PRINCIPAL

When I first came to this school I was  
scared,  
and afraid everything would go wrong.

But soon I found out about a very special  
person.  
Who can solve any problem you have.

She always has time to talk,  
And she always lends a helping hand.

Even though she works hard all day long.  
She makes sure nothing goes wrong.

This person is one of the best in the  
world.

She's our principal, Mrs. Sales.

by: Janna Perry and Julie Slemph

# ASSISTANT PRINCIPAL

Mrs. Wolfrey is nice,  
She's as sweet as sugar and  
spice.

She never yells at you,  
Because she never feels  
blue.

She's talented and super.  
She's never a party pooper.

She talks to Mrs. Sales.  
And she's #1 on our scales.

She's got a pretty name,  
And she's in our hall of  
fame.

The owl stands for wisdom,  
Which you'll surely find here,  
A super education leads to an  
Excellent career.

In our years in Penn Forest,  
We've grown up a lot,  
We've loved all our teachers and  
Enjoyed what they've taught.

They gave us good tips,  
And they took us on trips.

From Washington, D. C. to  
patchwork  
Pillows.

They greet us cheerily, with  
friendly  
Hellos.

Math, history, language-you name  
it.

Who are they? Yep, you guessed  
it.

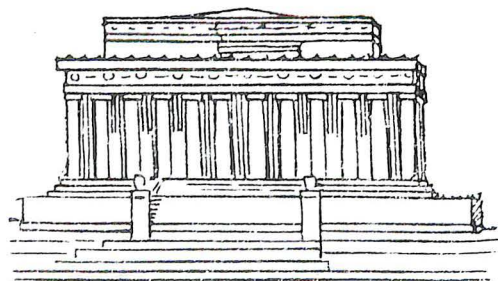

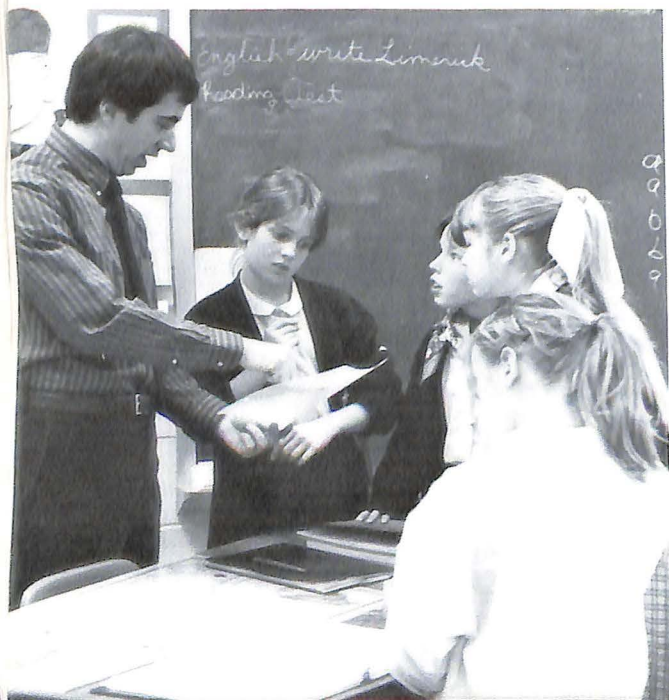

Mrs. Feezor is caring  
Mr. Martin is droll.  
Mrs. Fortner is sharing.  
And Mrs. Bell's in control.

These are the teachers of the fifth  
grade,  
100% good-American made!

 year!  
 We did a lot of neat things, too!  
 Kristen: It was especially fun when we  
 went to  
 Williamsburg, and when we had a  
 bake  
 sale!  
 Jenny: The teachers were nice, too!  
 Kristen: Sometimes the work was easy,  
 and  
 sometimes it was hard. But even  
 though  
 we may miss fourth grade, we are  
 really looking forward to fifth grade.  
 Jenny: Yeah, I am really going to miss  
 fourth,  
 but I know I will like fifth!

# SECOND YEAR

Mrs. Kathie Kingery

Mrs. Jackie Shank

Once there was a girl of second  
grade  
Who was a little bit afraid of Fifth  
Graders marching down the hall  
They were so tall, she was so small.

When the second grade went to  
Booker T.  
The teachers were there,  
(fortunately).

In March, I remembered that when  
November and December came, I  
was not  
Afraid.

Now here comes third.  
I'll always love second grade  
Even though, once, a long time ago  
I was afraid.  
I wonder?

The teachers in first are really neat. Being with them is really a treat. In first grade after the work is done, it's time for P.E., that's a lot of fun. And then it's time to work again, come on let's go grab a pencil, my friend.

It's really great when we go on field trips, we usually buy our lunch, but today we pack instead, because today we're going to see just how to make some Rainbow bread.

Then we go back to school and get together our books and tools, and when the day comes to an end, we do our homework and play with friends.

Here we are all nice and new.  
Riding on the buses too.

I was in great fear,  
But I think I'm gonna like it  
here.

First the teachers' names,  
Then some fun and games.

Let's go to the zoo.  
Look, there is a cow, "MOO."

After playing all day  
Let's hit the hay.
