

THE EYRIE

Nineteen Hundred And Sixty-Six

Volume III

*Staunton River High School
Moneta, Virginia*

DEDICATION

We the Senior Class of 1966, as a token of our appreciation would like to dedicate our edition of the "Eyrie" to Mr. Denzil L. Barker. His generosity in the giving of his time, his understanding, his interest in our problems, and his valuable knowledge are but a few qualities of his outstanding personality.

He has served, since the opening of Staunton River High School, as assistant principal, athletic director, guidance counselor, and teacher. In all of these positions, held simultaneously, he has given long hours and hard work to make this an outstanding school.

He has always been there when we needed him, and his guidance has meant a great deal to all of us during the past three years. To honor him for his dedication to his school and his students, we dedicate our annual to Mr. Denzil L. Barker.

PRINCIPAL'S MESSAGE

In today's modern world education is essential if we are to make ourselves physically fit, mentally alert, morally straight, and socially acceptable. We must accept this challenge in order to better the society in which we live. Each of us must assume this responsibility for the good of all mankind.

I hope that this year has been a most meaningful one for you, and that you have thought, selected, and acted wisely in making the decisions which affect your future. As this year comes to an end, I would like to leave you with this thought—Do as much as you can, for as many as you can, for as long as you can.

With best personal regards

I am

Owen L. Burks
Principal

ADMINISTRATION

Staunton River has been very lucky in having an excellent administration. Our Principal, Assistant Principal, Guidance Counselor, Librarian, and all our teachers have played a big part in our lives as students.

The friendliness and instruction of Mr. Burks, the work of Mr. Barker as athletic director, the helpfulness and closeness of Mr. Gilley to all the students have made the school year more enjoyable.

Miss Fannin, our librarian, and all of our teachers have helped us with our work and made learning more of a pleasure than a task.

Although we as Seniors will be leaving school, the influence of an excellent administration and faculty will ever be present.

PARTICIPANTS

This year has been an inspiration to the teachers and students. The teachers have come to know their students better, to understand their problems, and they have received satisfaction from seeing their students learn. The students have met new challenges, solved new problems, and have come to understand themselves better. This year has truly been a great experience for everyone.

One of the chief causes for this year's success has been the feeling of unity between the students and faculty. They have worked together and helped one another in any possible way. The students have felt closer to their teachers, and a desire and willingness to please them has helped them to achieve their goals.

In looking back at the year 1965-66, we can surely see that it was a high point in the history of Staunton River High School.

Hustling and bustling in the halls, cheering at the games, and sharing happy moments with other students are all representative of the friendly atmosphere which hovers around SRHS. Smiling, happy faces indicate the pleasure each student gets from playing his role at Staunton River. Each day brings a new and different part for the student to play—some of them serious, some of them comical; but every role draws him more deeply into the activity of school life.

During this third year of Staunton River's history, there have been changes in those who have taken part in the production of a memorable school year. With these changes, however, comes a stronger bond between the students and fonder memories for each.

With mixed emotions the seniors leave SRHS to begin the role as high school graduates. Varied expressions indicate the mixed feeling regarding this big part in life. For some of these seniors, only relief is felt because the long twelve years of study and worry are over. Other students feel sad about leaving the good times which being a student offers them. Anticipation of the near future brings joy to some faces, though uncertainty is revealed in others.

When next year begins, some of the students will be gone, but the success and fun of the 1965-66 will never be forgotten.

VARSITY FOOTBALL

Staunton River's first varsity football season was something less than a shattering success. Injuries, lack of size and speed, and the biggest bugaboo—inexperience—were the major causes of that unspeakable horror—winless season. No one can say, however, that the Golden Eagles lacked spirit; or that affairs were dull and lifeless at the Golden Eagle Stadium. Down five and six touchdowns at times, the Eagles were still capable of scoring from anywhere on the field on any given play. The defensive play, though often ineffectual, was dauntless from the standpoint of spirit and courage.

Dale Wilson led the team in scoring and finished high in the district scoring race. Gordon Tinnell's passes to Buddy Bolding (the team's choice for MVP) and Wilson, plus the hard running of Barry Lafon and Mike Ferguson, kept enemy defenses honest and provided the explosive punch which proved to be such a crowd pleaser at games.

Always outmanned but never outgamed was the story of the Eagle season. Coaches Hammond and Eckart hope the spirit remains intact and the manpower increases for the 1966 season.

Contributions of these boys will be missed next year.

The Cheerleader's float in the Bedford Parade ended the football season.

The Varsity Football Cheerleaders shared the fun and anguish of the '65 football season . . . Cheering at football games was new for most of them, but hard work at practice created a field display which made Eagle fans forget the scoreboard and join the "root-'em-home spirit." There were rewards, too—the cheering itself, the bus trips, the post-game snacks, and parties—all reasons why most girls enjoy cheerleading. The football cheerleaders also worked diligently on their float which was a big portion of Staunton River's contribution to the Bedford Christmas Parade.

VARSITY FOOTBALL CHEERLEADERS

The cheerleaders kept the bus trips to the away ball games lively and interesting.

Eating at Bailey's Cafeteria after the North Cross game, lifted spirits after the defeat.

Coach Tom Heath's Junior Eagles, unlike their older counterparts, had the defense but little ability to score. They did accomplish one victory — blasting Gretna 21-0 — and, excepting the Rustburg opener (0-26) were in the thick of every game. After Rustburg, the Jay-vees dropped 6-0 encounters to Nelson County and William Campbell, then fell 13-6 to Hargrave Military. They tasted defeat one more

time (Brookville: 12-0) before Gretna. With the team jelled, Coach Heath had to give up Ronnie Ayers, Joe Franklin, and Robert Hollins to the varsity, making the Amherst County loss, 13-6, a foregone conclusion. It was a spirited season for the younger Golden Eagles, and they hope to send many needed performers to the varsity next season.

Varsity Season In Retrospect

BOYS

The story of the Golden Eagles' basketball season was lack of depth. Beyond the first five, Coach Tom Heath had little with which to substitute, leaving S. R.'s most potent weapon—the fast break—somewhat strained at game's end. All-District IV ace, Larry Mullins, was once again the scoring leader for the team with a 19.4 average. Larry's graduation will be a new blow to an already undermanned squad.

The Eagles had a few moments of glory in '65-66. The victory over Appomattox gave them a district win, and the overwhelming defeat of previously unbeaten Boonsboro, proved once and for all that the Golden Eagles—whatever—they were—were far above the level of even the best Group III team. Moreover, at season's end, the Eagles played district runner-up, Nelson County, to a standstill, before succumbing. Throughout the long losing streak the Golden Eagles never lost the spirit and determination of the season's start; dissension and apathy were strangers to the locker-room.

Next year could bring better results if Dale Wilson's speed and Wayne Turner's rebounding ability along with continued improvement by Barry Thomas, Allen Wainwright, and Danny Holdren can offset the loss of Mullins, Leroy Saunders, and Gordon Tinnell.

GIRLS

The girls' basketball team, led by veteran stars Gloria Epperly and June St. Clair, managed five victories in a season marked by rebuilding and the infusion of sophomore talent. Coach Cheek's Eaglettes were often beaten by taller, deep teams with more experience, but most of the losses could have gone the other way with a difference of only a few points. Next year's forecast is for better things when Sue Cheek comes of age. Losing June, Gloria, and Carolyn Simmons will hurt, but Joan Powers and Mary and Sandra Cox should be ready to fill in as Seniors.

Left to Right: Judy Barr, Shirley Wills, Macklyn Woodford, Judy Burnette, Captain; Patsy Witt, Hettie Saunders, Barbara Tuck.

VARSIITY BASKETBALL CHEERLEADERS

Cheerleading has as its main objective the promotion of good sportsmanship and school spirit. Fulfilling these goals means the hours of practice, the white and gold pressed uniforms, the white socks, laryngitis and the everlasting smile. Staunton River's basketball cheerleading squad though inexperienced at first, proved themselves capable of keeping the true meaning of "spirit" alive in the hearts of athletes and spectators be it in victory or defeat.

JUNIOR VARSITY TEAM

The JV season, like a year ago, was the old story of sending an essentially freshmen team against the sophomores of opposing schools. Coach Hammond's boys always held their own early in the game, but size and stamina were lacking at game's end in a league where officials do not confine body contact to the football field.

Danny Johnson and Neal Saunders, the only sophomores, will be gone next year, but Robert Hollins, Forrest Harkrader, and Karl Bates would be the nucleus of a fine team unless

EIGHTH GRADE TEAM

they are moved up to the varsity to fill the ever-present gaps there.

Jerry Eckart's 8th grade boys completed a fine season at 4 wins, 5 losses, considering their diminutive size. Using speed and finesse the mighty mites did everything but run between the legs of their larger opponents. Determination and spirit could not overcome size as far as providing a winning season, but names like Mike Morgan, Eddie Zimmerman, Roger Wade, Jerry Brown, and Gary Dellis will be heard from on future Eagle teams.

Miss Carolyn Saunder's homeroom won the Christmas Decoration Contest in A-Building.

Edrie was chairman of the Scrapbook Committee.

The Student Cooperative Association Council, composed of the SCA officers, class and club presidents, and homeroom representatives encourages participation of every student in school activities.

The SCA has sponsored various activities such as clean-up Drives, Essay and Christmas Decoration Contests, and the first dance of the year.

Each month the S.C.A. Council appoints a homeroom to be in charge of the bulletin boards.

Regina Huddleston and Donny Holdren were delegates to the State SCA Convention at Virginia Beach. June St. Clair represented SHRS at the S.C.A. Summer Workshop.

BETA CLUB

The Beta Club is an honorary society for those students who excel academically and scholastically. The purpose of the club is to promote the ideals of honesty, service, and leadership, and to encourage students to further their education after high school. This year our Beta Club has tried to convey to each student the importance of such qualities as honesty, justice, cooperation, humility, and charity and above all, to inspire and encourage our students to higher goals.

One of the projects of the club was giving a fruit basket to a needy family at Christmas. Many members thoroughly enjoyed attending the Beta Club Convention in Roanoke in March. The ideas brought back will help the club next year.

FUTURE HOMEMAKERS OF AMERICA

The members of The Future Homemakers of America are those girls who are interested in home economics beyond the classroom. The organization gives its members a chance to develop their skills and apply their knowledge by working together on projects and activities. Each member has some particular talent or ability which can be utilized as a contribution to the school and the world in which we live.

Various activities that the F.H.A. engaged in during the year were the opening PTA tea; the faculty coffee; and their Federation meeting at Liberty High School. All in all the Staunton River F.H.A. enjoyed a fine year in its role as a girl's vocational educational club.

FHA girls served refreshments at the first PTA meeting.

FUTURE FARMERS OF AMERICA

The Future Farmers of America and K.V.G.'s offer organization where young men can pursue their interests in agriculture and forestry beyond the classroom. Agriculture and forestry being industries of great breadth, boys need vocational curricular clubs to help them realize the scope. Through organization, work, projects, and recreation, vocational education students are aided by their clubs in choosing worthwhile careers in the agricultural and forestry fields.

FUTURE BUSINESS LEADERS OF AMERICA

The Future Business Leaders of America is an organization for all students enrolled in business subjects. It is especially designed for those students who plan a career in the business world. Its purpose is to gain a better understanding and become more familiar with the requirements and opportunities of the business world. It serves as a means of acquainting the student with vocational preparation, the problems, and the procedures encountered in this field of work. It gives the student some idea of what he can expect in the everyday world of business.

Shirley Wills

"MISS GOOD CITIZEN"

Shirley was chosen to Who's Who when the seniors recognized her ability to take a difficult task and do it well. Her work at school and in the community has most certainly earned her the accolade "Good Citizen."

June St. Clair

"MISS NEVER-BEHIND-THE-SCENES"

June has a knack for being at the hub of the activity. Always driving and energetic, June adds quiet efficiency — well, efficiency anyway — to whatever she is attending. June seems interested in everyone and everything, having enough versatility to always lend a capable hand — or ear — to the situation.

Gary Chittum

"MOST LIKELY TO SUCCEED"

Outstanding scholarship plus keen interest in matters requiring technical know-how make Gary a Who's Who. He is a man who plunges right into a problem, extracting its basic essentials. Life should hold much success for Gary.

Larry Mullins

"THE BIG DIPPER"

Staunton River's all-district basketball star, Larry Mullins, was voted outstanding by his classmates. A real Who's Who, Larry demonstrated outstanding ability on the basketball court and was a fine student in the classroom. Staunton River will miss Larry putting the ball through the hoop in his customary way.

Leroy Saunders

"MR. ALL-AROUND-THE-SCHOOL"

Leroy Saunders, Staunton River's young executive type was chosen Who's Who for his outstanding energy, drive, and administrative ability. Already possessing many characteristics and habits of a leader, Leroy promises to carry his abilities and vigor far beyond this campus.

Melinda Witt

"MOST STUDIOUS"

Melinda Witt, often found in the library pursuing scholarly information, was chosen Who's Who for her superb academic record and fine capacity as a student. Melinda — always quiet and attentive — was a splendid example of a high school scholar and an inspiration for others.

Glenda Fuller

1st Runner-Up

One of the highlights of every school year is the Staunton River Beauty Pageant which is sponsored by the Senior Class. Three out-of-town judges rate the contestants on poise and beauty.

Our Miss Staunton River for 1964-65 was Carolyn Powers Simmons. Carolyn, a Senior this year, has been active in extra-curricular activities throughout her high school career. She is very deserving of the honor bestowed upon her.

Miss Staunton River is not just a title. The girl who receives the crown is a representative of the school and wears it with pride.

3rd Runner-up

Our first runner-up, Glenda Fuller, has also been a very active participant in school activities. She is also a Senior this year.

Second runner-up, Sue Johnson, graduated last year. She is now attending Ferrum Junior College.

Third runner-up, Gail Waldron, is a Junior this year.

THE PROM

"The leaves of Life keep falling one by one." So wrote Omar Khayyan almost 900 years ago. Certainly one of the most pleasant 'leaves' of high school is the Junior-Senior Prom.

The class of 1965 was honored by the class of 1966 in the biggest event of the school year for Juniors and Seniors. Few will forget May 24, 1965. This was the prom! The theme — "In the Misty Moonlight" — inspired the conver-

sion of the gym into a paradise. As each couple walked through the door, their eyes beheld a mystic panorama of silver stars swaying gently overhead; multi-colored flowers on each wall; and a bridge across a rippling brook into a dancer's garden with mural facade. When the music began, the dance floor became a floating collage of rhythm and color, weaving each dancer in a spell lasting much longer than the evening itself.

★ ★ IN THE MISTY MOONLIGHT ★ ★

A Ring Dance holds many memories.

"Memories in Gold"

RING DANCE

November 6, 1965 was a big night for the Seniors. The time had finally come for us to receive our rings. Our theme, "Memories in Gold," is symbolic of what our rings mean to us. We had waited so long to get them, and it seemed impossible that we'd get them that night. As we eagerly awaited the presentation of our rings we danced to the music of the Rivettes. While everyone was dancing the long anticipated announcement came. It was time to receive our rings from Mr. Burks. As the names were being called, a hush fell over the group and each of us hoped to be the next name called, so we could receive our memories in gold. We knew too we had established a traditional ceremony at which future seniors would receive their rings.

"...as soon as it's over!"

There's no name in this one.

BEDFORD COUNTY JUNIOR MISS 1966 *Shirley Mae Wills*

Staunton River's Shirley Wills was chosen Bedford County's Junior Miss in the 1966 Pageant. Demonstrating outstanding qualities of personality, poise, leadership, physical fitness, and talent, Shirley became the first girl from the Southside—certainly from Staunton River—to win the contest. Shirley became third runner-up in the state contest held in Roanoke. All of Staunton River's students and faculty are proud of her achievement.

GIRLS' STATE

Each year the American Legion Auxiliary sponsors Virginia Girl's State at Radford College. At Girl's State the girls are divided into cities and parties. The girls participate in activities of a real city and state.

Our representatives for 1965 were Alma Lawhorne and Linda Jones. Alma was a member of the Federalist party and a resident of Clark City. Linda was a Nationalist and a resident of Lewis City. In their words "It was an experience we'll never forget."

Douglas Smith

Douglas Smith and Nancy Howell won a free trip to Richmond for the State Science Fair where each presented a research paper. The name of Douglas Smith's paper "Meteor Rates of Early 1965", and Nancy's was The Effects of Litter Size and Environment on Behavior of Cats. Shirley Wills won the 1966 Good Citizenship Award, presented by the Daughters of The American Revolution. She was chosen by the faculty from a panel of three selected by the Seniors.

Mary Davis, one of Staunton River's public speakers, won the county "Youth Speaks" contest sponsored by the Southern States Cooperative. Later in the year, Mary won the state contest at Hillsville, was awarded a \$100 bond, and received a free trip to Colorado to compete in the national contest.

Shirley Wills — D. A. R. Award

The SRHS Dramatics and Forensics Society completed its second year by participating in various activities concerning plays, public speaking, and readings. In the fall, the group presented cuts from Shakespeare's **Macbeth** and **Julius Caesar** to an assembly audience. In April, the society performed in the district forensics contest in Altavista participating in public speaking, prose reading, poetry reading, and spelling. Another highlight of the spring season was the one-act play, "The Lottery," presented by a cast from the Society.

On October 23, 1965, Staunton River was guest on Saturday Session. Seated are the representatives who appeared on the panel discussing the "uniqueness" of Staunton River High School. From left to right they are: Jimmy Preston, Edrie Bays, June St. Clair-program moderator, Shirley Wills, and Richard Lamb. Gary Chittum, standing, served as film narrator.

Klassroom Kwiz, a popular quiz program on Channel 7, Roanoke, Virginia, played host to Giles County High and a challenging team from Staunton River High on February 21, 1966. Although the S.R.H.S. team failed to score the first two rounds, they made a good comeback in the last round by scoring on all questions. The opposing G.C.H., nevertheless, won by a margin of 10 points making the final score 100-90 in their favor. From left to right, the members of the S.R.H.S. team were Shirley Wills, Gary Chittum, and June St. Clair.

**In 1882 Edison had
a great idea.**

**And it wasn't the
electric light.**

The whole idea of investor-ownership of electric light and power companies began when Thomas A. Edison and a group of investors financed his first power plant more than 80 years ago.

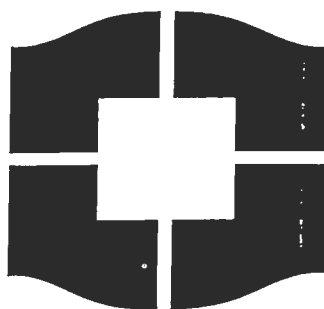

Since then, investor-owned companies like ours have become an integral part of America's Free Enterprise system. That explains why today we have at our fingertips more electric power than any other country in the world.

And it's this same Free Enterprise system that puts at *your* fingertips greater opportunity, greater expectation for success than can be hoped for by any other young people in the world.

You Don't Have To Start At The Top...

If you're thinking about career opportunity, you might think about Burlington, the world's leading manufacturer and merchandiser of textiles for every purpose. Why not start at the top of the textile ladder? Why not investigate a "world of opportunity" at:

Burlington INDUSTRIES, INC.

EXECUTIVE OFFICES, GREENSBORO, N. C.
