Jeresa,
So a real nice
girl who I have
enjoyed knowing
this year. Don't
forget good 'ole study
hall even though
sometimes it was boring.
~~do~~ wish you all
the luck you need, and
I hope you get your
diamond soon. Maybe
you'll get married before
me.

Debbie P.

Go placidly amid the noise and haste, and remember
what peace there may be in silence. As far as possible
without surrender be on good terms with all persons.
Speak your truth quietly and clearly; and listen to
others, even the dull and ignorant; they too have their
story.

Avoid loud and aggressive persons, they are vexations
to the spirit. If you compare yourself with others, you
may become vain and bitter; for always there will be
greater and lesser persons than yourself. Enjoy your
achievements as well as your plans.

Keep interested in your own career, however humble,
it is a real possession in the changing fortunes of
time. Exercise caution in your business affairs; for the
world is full of trickery. But let this not blind you to
what virtue there is, many persons strive for high
ideals; and everywhere life is full of heroism.
Be yourself. Especially, do not feign affection. Neither
be cynical about love; for in the face of all gridity and
disenchantment it is perennial as the grass.

Teresa,
 It's been great
 knowing and having
 you as a friend, &
 dear, sweet friend, &
 all the fun and understanding
 did at that. Remember
 wish all the good luck in the world to
 you and Tom and your future
 stay sweet, Be good. Keep in touch

Take kindly the counsel of the years, gracefully sur-
 rendering the things of youth. Nurture strength of
 spirit to shield you in sudden misfortune. But do not
 distress yourself with imaginings. Many fears are born
 of fatigue and loneliness. Beyond a wholesome
 discipline, be gentle with yourself. You are a child of
 the universe, no less than the trees and the stars; you
 have a right to be here. And whether or not it is clear
 to you, no doubt the universe is unfolding as it should.

Therefore be at peace with God, whatever you
 conceive Him to be, and whatever your labors and as-
 pirations, in the noisy confusion of life keep peace
 with your soul.

With all its "sham", drudgery, and broken dreams, it
 is still a beautiful world. Be careful. Strive to be
 happy.

Spring and Summer '71 — A Flurry of Activity for Botetourt Students

"Hurry, hurry!" These were the catchwords as June 1971 approached, year-end activities crowding in on exams and frantic searches for summer jobs. The gym was transformed by the Junior class into the "Bridge Over Troubled Waters", and class marshals were chosen as the honor guard for graduation ceremonies. A school day on Saturday ended the school year, and Lord Botetourt students headed for beaches, jobs, summer school, band camp, and vacations just for fun.

BOTTOM LEFT: Bill Campbell and Twila Montgomery enjoy refreshments with friends at the Prom. TOP LEFT: "Frost" supplies the music at the Prom. TOP RIGHT: Class Marshals Mary Looney, Mary Breedlove, Faith Bloodworth, Jerry Huffman, Sharon Franklin, John Abbott, Jean Graham, Braxton Cook, and Joe Camper. MIDDLE RIGHT: Boys' and Girls' State delegates Chris McMurry, Cathy Teaford, Betsy Meyerhoff, and Joe Camper. BOTTOM RIGHT: Mr. Allen Thomas announces scholarships at graduation ceremonies.

The 1971 Football Homecoming Court was chosen this year by the student body. Members of the court were: Mitzi Huffman — Freshman Representative, Marie Wall — Sophomore Representative, Leigh Harris and Lynn Smith — Junior Representatives, Bobbie Lou Waid — Senior Representative, Vicki Custer — Maid of Honor, and Cassandra Bolton, 1971 Football Homecoming Queen.

Fall Brings Football, Homecoming Honors

Autumn alternated between summer-like days and rainy days, and, enjoying both, LBHS students went to work on a new school year. Football homecoming activities were planned early and included badge day, poster day, and the selection of a homecoming queen. For the first time, the student body nominated candidates for queen and court, and from the Senior nominees, the lettermen selected Cassandra McFarland queen. A rained-out game with William Byrd couldn't dampen spirits at the dance, and the Cavaliers came back strong on Monday night to stomp the Terriers and have a great, but muddy, ending to Homecoming.

Winter Begins With Snowy Thanksgiving

The first snow of winter meant getting out of school early — for the few hardy souls who made it — and not getting to school at all for most. The snowy Thanksgiving brought the holiday season and the traditional FTA Christmas tree in the lobby. The SCA sponsored "The Hanging of the Ornaments", during which each club added a decoration on the tree and extended Yule greetings to the student body.

Musical Christmas Includes Carols, Rock

Traditions and new ideas met — and produced some pleasant results — during the Christmas festivities. The band and glee club presented a program of carols and popular Christmas music, and the Stage Crew presented a rock "jam session" featuring two local groups. Amid the soul sounds of the "Chordinators" Debbie Reed was crowned Snow Queen at the Christmas Dance sponsored by the FHA.

There are more things in heaven and earth than the imagination can fathom, and more facets to school life than the "big times". The important events are made of moments, images, flashes of insight; the important memories include children, animals, and all things — and times — great and small.

LBH Girls Win Title

Lord Botetourt's girls' basketball team finished their third season with an 11-0 record. This record entitled them to the Roanoke Valley championship title for 71-72. They were awarded a trophy for their performance after the second night of tournament play.

Debby Ferris, Co-captain, was awarded a place on the All-tourney team for the Roanoke Valley.

Debbie Griffith also placed on the All-tourney team.

and Individual Trophies

Kathy Smith, a senior, won a place on the All-Star team. This team is voted on by all team coaches.

Cavaliers End Season With 5-5 Record

Johnson-Collins Passing Stuns Opponents

The Cavalier defense held their opponents to just 102 points in 10 games, three of which were shutouts. This enabled the team to place 2nd in the Roanoke Valley right behind Andrew Lewis of Salem. Mark Cole led the team with 182 defensive points, and Dean Wertz, Mike Goad, and Larry Gray showed their defensive worth by being named to the Blue Ridge District First Team Defense. Cole, Wertz, Hodges, and Gray also received honors on the Roanoke Valley Area team. And the defense could always rely on the "Mad Stork", Mike Poole.

BOTTOM LEFT: Collins and teammates demonstrate the Cavalier's defense, which held Addison scoreless. TOP LEFT: Captains Mark Woodie — outside linebacker, interior offensive lineman — and Dean Hodges — defensive end, interior offensive lineman. TOP RIGHT: Junior Mike Goad crashes through the Addison line and into the open for a long gain which added to Lord Botetourt's 38-0 romp over the Bulldogs. BOTTOM RIGHT: Catches like this one by Jerry Collins helped balance the offense which let the Cavaliers backs run wild through their opponent's defense.

14-13 Victory Brings Home the Cider Barrel

Although outstanding on defense, the Cavalier offense rallied strength to score with the super passing efforts of Carl Johnson to receivers Jerry Collins and Mike Poole. Their passing averaged over 150 yards a game. Dean Wertz and Mike Goad placed first and second, respectively, in the team's rushing, and Larry Gray was called on when short yardage up the middle was needed. Mark Woodie, who was named to the First Team Blue Ridge District Offense, lead the Cavalier offensive line which enabled the backs to break into the clear for the score.

BOTTOM LEFT: Halfback Curt Westerman intercepts while Stan MacFarland goes back to set up blocking on Westerman's return. TOP LEFT: The versatility needed in a quarterback is shown by Carl Johnson's blocking, in addition to his passing record. Here Dean Wertz breaks for a long run against William Byrd, after blocking by Johnson. TOP RIGHT: Larry Gray leads Dean Hodges and Mike Goad in tenacious pursuit of the Glenvar runner, who was stopped for almost no gain. BOTTOM RIGHT: Junior Carl Johnson shows off as a runner, sprinting out for a long gain which left him fourth in rushing for the season.

JV Cavaliers Produce 'Interesting' Grid Season

"Very Interesting" was the best description of the baby Cavalier football season. Fans watched a drive that started on Botetourt's own 20 yard line become a winning score 80 yards away with only fifteen seconds left on the clock. Dirk Cole attempted a 50 yard field goal against Glenvar with only seconds left and a 14-12 score in Glenvar's favor. The J.V. team was also the first team to score on the power-house Cave Spring JVs.

Cavaliers End Season 2nd in Valley

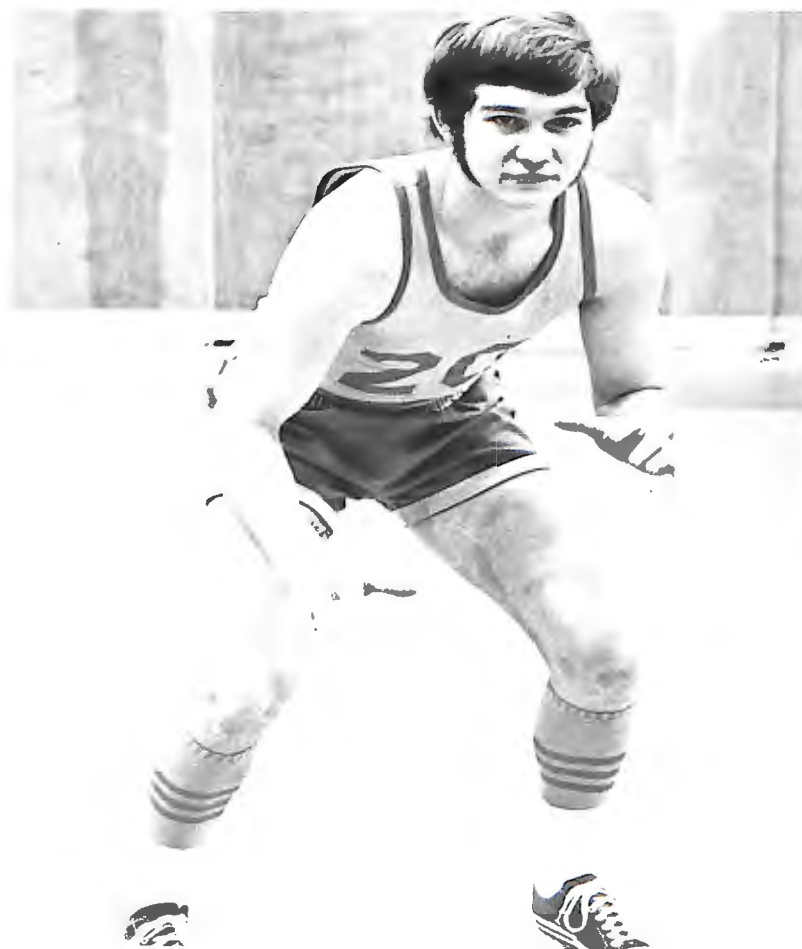

Averaging over 72.5 points a game, the high-scoring Cavalier Machine held their opponents to just under 70 to place second in the Roanoke Valley. Three juniors anchored the front court. Carl Johnson, a 6'3" center, who is as good on defense as he is on offense, pulled down an average of 11.5 defensive rebounds and blocked 5 shots per game. Forward Mike Poole was a strong rebounder and a highly under-rated player. Another forward, Willie Simmons, added a solid rebounder on the right side.

BOTTOM LEFT: Mark Cole and Chris McMurry keep all the records and statistics. TOP LEFT: Lucille All, varsity scorekeeper, keeps the book; J.P. Jenkins keeps time and score on the clock at William Byrd game. RIGHT: Captains Carl Johnson and Joe Camper.

Placing second in regular season, the Cavaliers went to the Blue Ridge District tournament with confidence and team spirit that carried them to a 71-69 victory over Alleghany. The next opponent, Addison, caught the Cavaliers on a cold night and defeated Botetourt 73-52. In the consolation game the Cavaliers trounced Clifton Forge 96-71 for the highest score in a single game for a Blue Ridge District tournament record.

Row 2: Rhodes Craver, James Crawford, Willis Biscottie, R.G. Rucker, Pete Crowder, Dirk Cole, Gordon Sprinkle, Jerome Basham, Tony Mayhew. FAR TOP LEFT: Willie Biscottie, a real hustler shoots two over his opponent. NEAR TOP LEFT: Gordon Sprinkle looks underneath for a pass receiver. NEAR TOP RIGHT: Matt Talbot, high scorer for the team, hits on a driving lay-up. FAR TOP RIGHT: Pete Crowder jumps for rebound against Addison. BOTTOM RIGHT: Managers Danny Fowler and William Brown.

Johnson Places Third in State Meet

FAR TOP: Junior Carl Johnson shows winning form which placed him third in State High jumping with 5'10". FAR BOTTOM: Front Row: Rick Bell, Curt Westerman, Chris McMurry, Tony Byrd, Mark Cole, Joe Comper. Back Row: Dennis Dickerson, Bill Bridgen, David Crowder, Larry Gray, NEAR BOTTOM: Non-influential in school, but an all round athlete springs out for a 19'9" in broad jumping.

Although lacking in size and number, the Indoor Track Team made a good showing in the Blue Ridge District Indoor Track Meet. With a total of eight people the trackmen threw together a surprising team. Carl Johnson got first in high jump, triple jump, and fourth in 500 yard dash. Chris McMurry got first in 500 yard dash; Greg Jones got second in the high jump and fourth in broad jump. Mark Cole got second in pole vault, and a second place in the 880 relay with Chris McMurry, Charles Burrell, Greg Jones, and Carl Johnson.

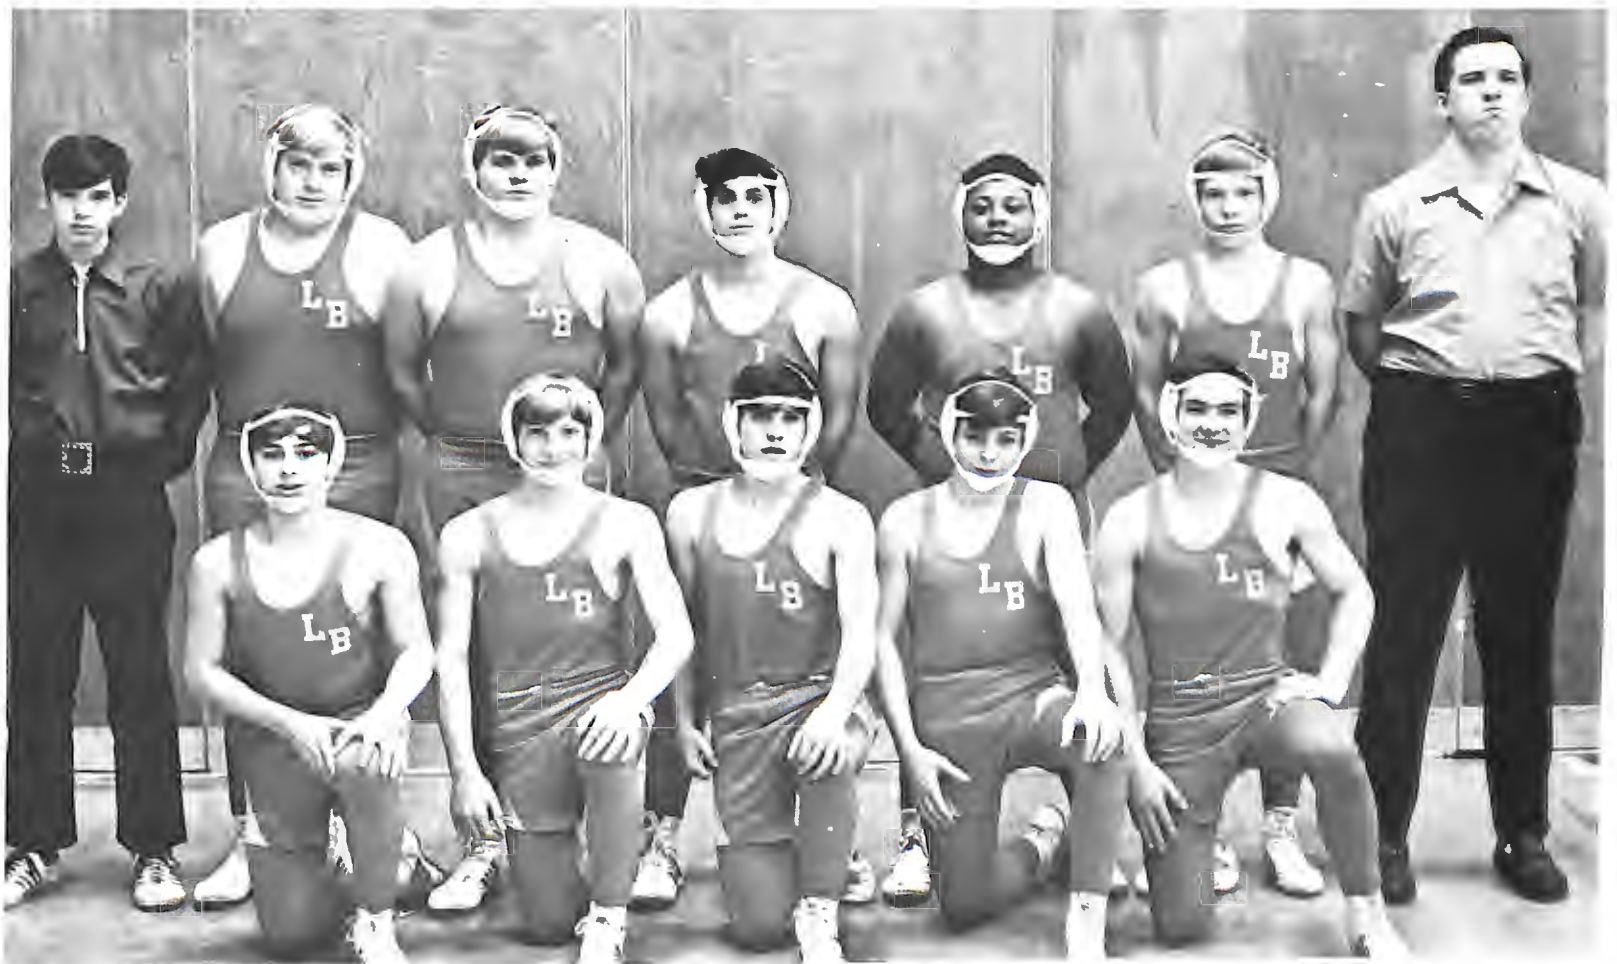

Gray Places Second In Wrestling Regionals

BOTTOM LEFT: Mike Crowder goes for the pin. MIDDLE LEFT: Heavyweight Larry Gray, who wrestled many opponents more than 60 pounds heavier than himself, controls a Glenvar man. TOP LEFT: Row 1: Allen Arney, Mike Huffman, Donnie Neas. Row 2: Moses Anderson, David Crowder, Steve Spradlin, Gary Drewry, Steve Fralin, Harry Merchant, Larry Gray. TOP RIGHT: Mike Huffman puts a hold on his Glenvar opponent. MIDDLE RIGHT: Harry Merchant displays his outstanding style in the Wrestling competition against Glenvar. BOTTOM LEFT: Row 1: Julian Cincione, Lawrence Kinzie, Wayne Johnson, Marshal Woodson, John Reynolds. Row 2: Randy Deel, Bill Lukens, Dennis Dickerson, James Kyle, Sherman Tribbett, Stanley Jones.

Hindered by inexperience, but driven by a gut desire to prove themselves on new ground, the Cavalier wrestlers were molded into shape by two of the best coaches around — Don Oakes and Mark Emick. The new wrestlers soon learned that their sport requires dedication, and teammates Larry Gray, Harry Merchant, Allen Arney, and Bill Campbell showed their energies and abilities. Although the team as a whole had only a few wins, the individual effort of few was outstanding. Larry Gray was the only person in the district to draw with Philips from Covington, who has never been pinned. Allen Arney, only 98 pounds but every inch wrestling muscle, and Gary Drewry pinned the best in their weight classes.

Thirty strokes ahead of their nearest opponents, the '71 Golf Team finished in first place in the Blue Ridge title match and brought home Lord Botetourt's only district championship for '70-'71. In an exciting round at Botetourt Country Club, John Blanton was district champion, and Devon Lowdon runner-up. Finishing with a 2-2 district record and an 8-4 overall record, the golfers placed third in regional playoffs.

Track Season Best Since '61;

Individual effort coupled with a strong team spirit and the performances of Barry Belcher, Mike Tucker, and Leslie Talbot enabled the '71 track team to go undefeated in all dual meets. Leslie Talbot, who never placed less than second, hit a record high of 13 foot in the pole vault. Barry Belcher consistently added the 1st and 2nd places in high hurdles and high jump. Mike Tucker triple jumped for a school record of 41 feet. 880 relay with Barry Williamson, David Radcliff, David Dickerson, and Emery Burrell placed 5th in the state mile relay with David Radcliff, Chris McMurry,

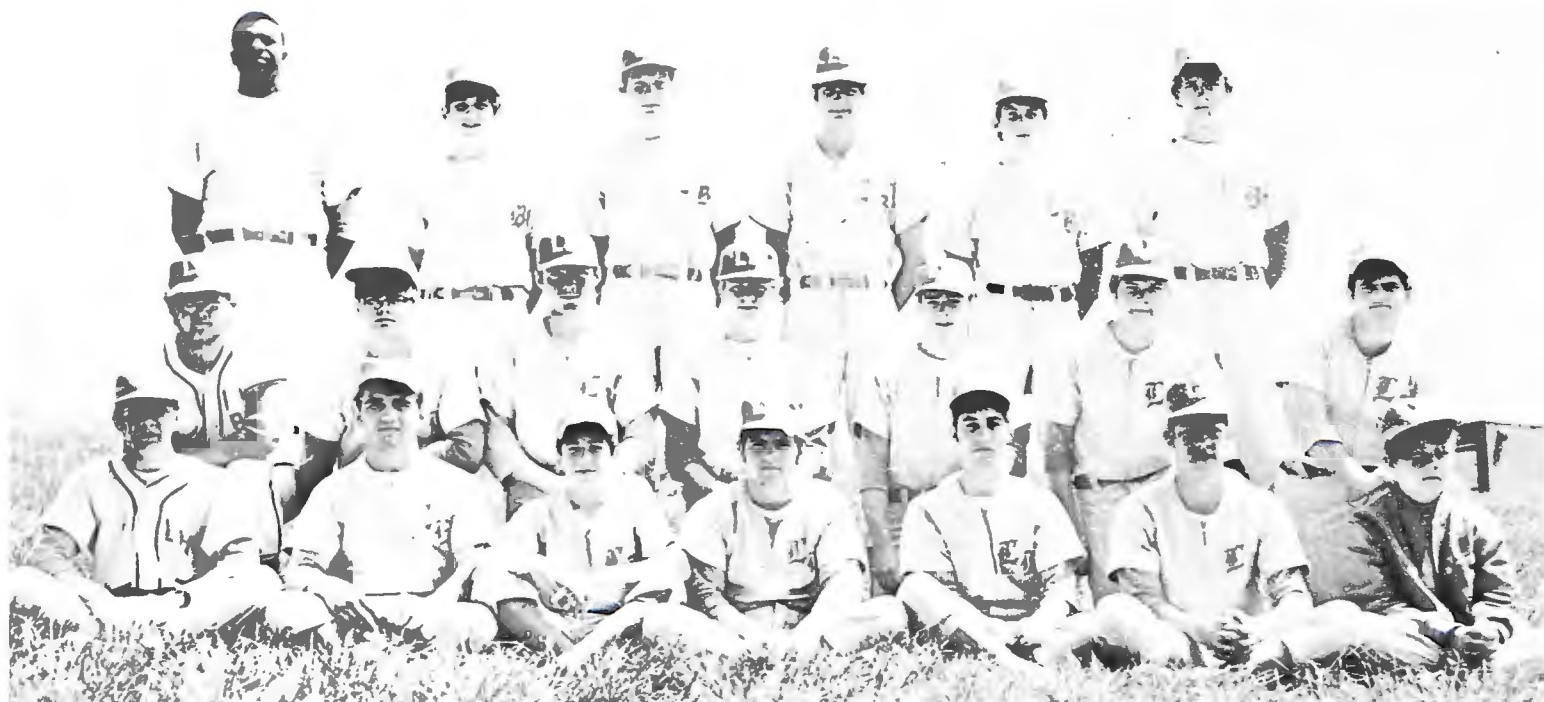

Emery Burrell, and Mike Tucker took first in District. Other events which placed in district meets were: Larry Gray — Shot; Doug Wilson — Discus; Carl Johnson and Greg Jones — High Jump; Mike Tucker and Dean Wertz — Broad Jump; Leslie Talbot, Glen Goad, and Mark Cole — Pole Vault; Barry Belcher — High Hurdles; Barry Williamson — 100; Rick Bell — Mile; Mike Tucker — 440; Chris McMurry — 880; Glen Goad and Dean Wertz — Low Hurdles; Roland Martin — 2 Mile.

Baseball Team Better Than Scores Indicate

Individual effort on the Baseball Team overshadowed the season record, as Mike Goad, guided by catcher Dean Hodges, lead the Lort Botetourt pitchers with 11 strike outs against Addison. He was backed by Jimmy

Eanes and infielders Richard Minnix, Reed Kelly, Danny McFarland, and Murkey Thomas. Outfielders Bill Campbell, Keith Blough, and Mike Poole gave an all-out effort in stopping their opponents' runs.

Girls Volleyball Expands Athletic Program

Volleyball, the newest addition to the girls' athletic program, may have been more of a challenge than the girls expected. The team ended the season with a 2-7 record and much needed experience.

Under the coaching of Mrs. King and Miss Shaffer, the girls learned the skills and techniques that gave opponents a fight and the promise of a top-flight team in '73.

Twenty-one students full of energy got together in August and, by March had produced the largest, most colorful yearbook ever at Lord Botetourt. The sixth-period chaos session may have confounded classroom neighbors, but the noise produced ideas that became "Desiderata", the story of 1971-72.

Early in the year, three staff members and Miss Muse, SHIELD advisor, traveled to Charlottesville for the VHSL Publications Conference and accepted a First Place award for the '71 SHIELD. As the year ended, yearbook staffers were making plans for a summer conference '73 yearbook.

Activity was the word for the Stage Crew this year. Wherever a microphone or sound system was needed the members provided the service, in addition to handling sound, lighting, and construction for the Junior-Senior play. Money earned from their candy sales and jam session tickets was used to buy new curtains for the stage and equipment for electronics class. Sponsor of the Stage Crew is Mr. Nedrow, and senior members include Robert Castle, Braxton Cook, Skip Simmons, David Foutz, and Roy Bolton.

BOTTOM LEFT: Setting the stage for an assembly are Braxton Cook, Dan King, Danny Foulter, Mark Clark, Jim Eanes, Bill Campbell, and Ben Harris. Mixed Chorus is one of Lord Botetourt's largest and most active organizations. Under the dedicated direction of Mrs. Martha Murray, the chorus presented John St. Peterson's cantata "A Song Unending" at area churches. The "Little Group" composed of fifteen selected members of the 52-voice chorus, entertained social, church, and civic organizations in both Roanoke and Botetourt. This group also entertained Governor Holton in Fincastle. Seven members were selected to attend the Concord Invitational Choral Festival, where they took part in music activities with either Virginia and West Virginia high school students, and five members were chosen to participate in All-Regional Chorus in Pulaski.

Travel, Entertainment, Learning

Precision routines and a solid sound were hallmarks of the marching band as they entertained at football games and at Christmas parades in Vinton and the Apple Blossom Festival parade in Winchester. At the Southeastern Band Festival in Bristol, the band received a division II rating. The concert band participated in Martinsville and sent representatives to the Morehead State University band clinic.

The student art chapter of Lord Botetourt High School consists of thirty-five students, most of whom are taking art classes. The purpose of the art club is to give those students who have a special interest in art a chance to put their abilities to good use.

These abilities are used to make posters and decorations for plays, dances, and other school activities. This year the art club worked on a mosaic of Botetourt County.

Each year the club raises money through candy sales to take an educational trip. This year the art club went to Richmond to tour the art department of Virginia Commonwealth University, the Virginia State Museum and several state buildings.

The Pep Club seeks to involve the students in school activities with as much spirit as possible. Activities of the club include selection and presentation of the Hustler Awards, Mr. Basketball and Mr. Football contests, and skits for Pep Assemblies. The sponsor is Mr. Lough.

GAA, FCA Emphasize Growth Through Athletics

The Girls' Athletic Association is designed to encourage the participation of girls in the school's program of physical education, to promote good scholarship and school spirit, to establish the idea of health and fitness, and to develop a true spirit of sportsmanship among the powder puff football game and intramural basketball, as well as the girls' basketball and volleyball team.

The Fellowship of Christian Athletes is an organization of young men who excel in athletics and believe firmly in the Christian ideals as a mold for their life style. Its purpose is to promote clean and Christian living while participating in the school's athletic program.

SCA Seeks Involvement

The Student Cooperative Association of Lord Botetourt provides an opportunity for all students to participate actively in student government. During the year, the SCA took suggestions from the student body and brought them before the administration, in a continued effort to create a better relationship between the students and faculty. This year the SCA participated in the state SCA Project, a glass recycling drive. The money collected for the glass will be used to buy trash cans to be placed along Virginia's highways. Other undertakings included a Student Directory and Handbook, smoking block, and ammendments to the Constitution.

The FFA is an intra-curricular activity having its origin and root in a definite part of the school curriculum — vocational agriculture. Among other things, members learn through active participation, how to conduct and take part in a public meeting, to solve their own problems, to speak in public, to buy and sell cooperatively, finance themselves, and to assume civic responsibility. The foundation upon which the Future Farmers of America organization is built includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, and citizenship and patriotism.

Future Homemakers of America is designed to help individuals improve personal, family, and community living.

Among the club's activities are the Christmas Dance, FHA Week, and the Parent-Daughter Banquet. The biggest project was earning money to redecorate the Home Economics Department.

"Make Time Work For You" is the project for this year.

Future Teachers, Business Leaders Recognize Faculty, Secretaries

The Lord Botetourt Chapter of the Future Teachers of America is composed of students interested in a career in education. This year the FTA sent delegates to the state convention and recognized the teachers during American Education Week. They also planned a tutoring program for the school, sponsored the "Lady Botetourt" pageant, visited the elementary schools in the county and a state college.

Encouragement of school spirit and good business practice were the aims of the FBLA this year. The sale of "Cavalier" pennants and mums brought students into homecoming activities and provided funds for field trips to Virginia Western Community College, National Business College, and the Radford regional meeting. The group presented roses to the school secretaries during "National Secretary's Week" and observed National FBLA Week with special in-school activities.

Newest LBHS Organizations Offer Vocational — Industrial, Retail Experience

Lord Botetourt students attending the Botetourt County Vocational School have the opportunity to join VICA, the Vocational-Industrial Clubs of America. VICA prepares youth for life. It brings together young men and women who share common interests for an exchange of ideas, a discussion of problems and the opportunity to work toward common purposes. VICA offers prestige and recognition through a national program of awards and contests. It broadens perspectives through interclub and interstate activities. It offers co-curricular activities that make education and training more meaningful. VICA instills spirit and a desire to learn, to grow, to become.

The Distributive Education Club of America is new at Lord Botetourt this year. Its members are students in the distributive education program who use the club as a social outlet, since they can attend few school related events due to their work schedules. The club offers dinners, dances, and club-sponsored parties. These members also provide advertisement help for school projects such as the Junior-Senior play and SCA activities, in addition to competing against other area DECA clubs in salesmanship, advertising, display and other retail-related contests.

MIDDLE LEFT: VICA membership. MIDDLE RIGHT: DECA officers James Hosey, Dan King, Karen Kuykendall, Mike Dooley, and Sam Hollingsworth. LOWER RIGHT: DECA membership.

The Red Cross is a chapter of the National American Red Cross. The local group sponsored the Bloodmobile at the school and a party for veterans at the VA hospital in Salem, in addition to participation in area Red Cross activities.

The Y-Teens, affiliated with the Salem YWCA, are sponsored by Mrs. Mason. During 1971-72, the club sold poppies for the Disabled American Veterans and made posters for a YWCA antique show. Donna Castle won 1st place in the poster contest. The club participated in the 2nd Heironimus Y-Teen Fashion Show in April, helped publicize the November Teens for Christ Rally, and attended the State Midwinter Conference at Camp Montgomery near Fincastle. Dora Kelly and Rebecca Humphrey attended the World Conference in Washington D.C. and helped plan a sidewalk Art Show in spring.

The Library Club is composed of those students who, voluntarily during their study halls, assist other students in the use of the library. Annually the members engage in a service project for the community. In the spring, a trip was taken to a nearby college library to observe how it functioned.

Library Club Serves Student Study Needs; Thespians Troupe Reorganizes

Students inducted into the National Honor Society must rate in the four qualities of scholarship, leadership, character, and service. This year 23 juniors qualified and were inducted in November. Fund raising activities were conducted to obtain money for a scholarship at graduation for a senior. Taking an active interest in Ecology, the chapter participated in the glass recycling project in cooperation with the Student Council.

NHS, Debaters Attain Academic Excellence

The Science Club is an organization for students with a specific interest in, and the desire to contribute to the advancement of science. The club sold candy to finance their projects and field trips. They also provided a scholarship for a senior who wishes to continue his study in the field of science.

During the year, the club took trips to Hollins College, Roanoke College, and Virginia Western Community College.

"A dream becomes a reality." Botetourt County's long-awaited Vocational School opened in September to serve Lord Botetourt and James River students who plan to seek employment immediately following graduation from high school. Students in grades ten through twelve traveled to Fincastle daily for a three-hour session in a variety of fields.

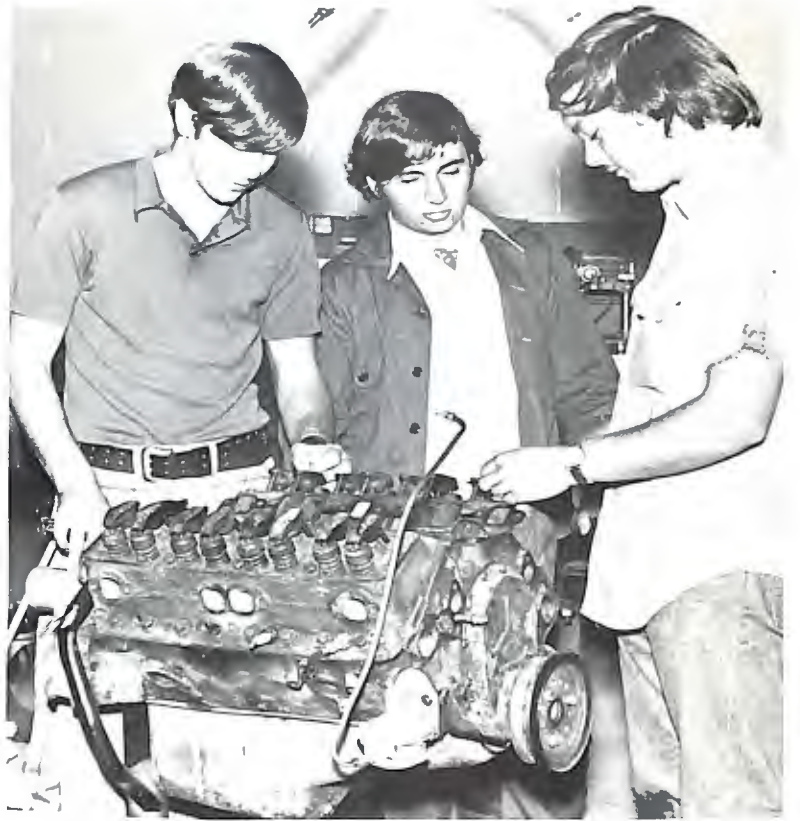

Course offerings included Drafting, Industrial Maintenance Mechanics, Automotive Mechanics, Building Trades, Home Economics and Wage Earning, and a three year program in Cosmetology. Automotive Mechanics provided a training program for developing skills needed to inspect, diagnose, repair, and adjust automotive vehicles, and Building Trades taught the skills involved in construction of buildings,

including experience in masonry, electrical wiring, plumbing, and carpentry. Cosmetology students ventured into the world of hair and skin care, and students who complete the course may qualify for state licensing. Drafting students learned to read and understand drawings, use equipment of the profession, execute specialized drawing procedures, food preparation, sewing, and child care were the concerns of Home Economics, and graduates of the course are prepared for positions in food preparation, alterer's helper, and the like. A Cluster of trades — hydraulics, welding, machine trades — trained students in Maintenance Mechanics to obtain a secure position in industry.

Vocational School Serves Sixty LBHS Students

BOTTOM LEFT: Larry St. Clair, Ronnie Huffman, Billy Deel, Jerry Tuck, David Kinzie, Melvin Moran, and Robert Murray discuss the working of the engine. TOP LEFT: A drafting student begins another project. BOTTOM RIGHT: Rodney Ward builds it up so he can tear it down.

Curriculum Offers Occupational Variety

TOP LEFT: Donald St. Clair, Dexter Miller, and Tommy Stanley test some theories of engine operation. BOTTOM LEFT: David Young and William Nowlin gain some practice experience with mortar. TOP RIGHT: Safety comes first as Kenneth Brickey checks the machine before starting it. BOTTOM RIGHT: Mike Cumbie, Leslie Dunbar, and Gary Sprinkle are determined to make that truck the smoothest-running one in town.

Vocational Students Gain Career Advantages

BOTTOM LEFT: Warren Gaod and Tommy Brumfield discuss the workings of one of the machines with which they must become acquainted. Harry Herchant tries a new styling trick in cosmetology. TOP LEFT: Terri Trail and Pat Craft comb away and dread of the day that the heads will be real ones. TOP RIGHT: Larry Caudle and Billy Ferrell prepare to use a new welding technique. Judy Muse is the chief bread baker in home economics. BOTTOM RIGHT: Chester Gray and Leon Edwards inspect a machine in industrial maintenance.

The Distributive Education program, instituted at Lord Botetourt for the first time this year, gave students an introduction to the world of retail and merchandising.

Working for a half-day, the D.E. students gained valuable on-the-job experience and the technical know-how in D.E. class. The program is directed by Mr. David Bailey.

BOTTOM LEFT: Barbara Johnson shows merchandise to a customer in Lazarus. TOP MIDDLE: Jane Duncan prepares to make a sale at Hickory Farms. TOP RIGHT: The D.E. students' display says it all. BOTTOM RIGHT: Brenda Akers at work as a cashier in Roses Mall store.

Valuable Job Experience

Studies which benefit all students with recognition and encouragement of the individual ability of each is the aim of the Lord Botetourt curriculum. Electives for college-bound students include offerings in both the arts and sciences. Typing, shorthand, general office practice, and bookkeeping prepare business students for jobs or future business study. All students, after completing the minimum requirements, may pick electives to round out their schedules with courses relevant to them.

Diverse Studies Aim of Curriculum

BOTTOM LEFT: Typing II class tackles yet another timed writing. TOP LEFT: A Spanish student perfects his diction. TOP RIGHT: Jackie Guilliams and his lab partner produce results in chemistry. FAR RIGHT: Mrs. Thomas and Skip Simmons search for a career. BOTTOM RIGHT: Jeffy Collins bakes great muffins in Boys' Home Economics.

loads of fun with
 me with Jim and
 me when the day
 that you get up
 Don't go around
 hanging (flying) anymore
 under ~~the~~ out of the
 window Overlook that
 mess-up but spelled
 under wear wrong Remember
 our great history class
 our listening eyes everytime
 we looked up at the teachers
 desk And keep out of the
 back seat.
 Love,
 Barbara

weren't he!!?? (Ha!?)
Don't forget his watch
and all those hard
tests! Have a nice
summer! Love,
Beane!*

Texaco,

Can you believe we have less than a month of school and we can be called the "mighty Seniors." Study Hall was at its best with us in it. Be good and have fun with Jim. See ya next year. Good Luck.

"Be yourself."

seriously, so a really great person who I'll always consider my friend. Take care of yourself and Jim.

Never forget all the good times we had and all the funny times we laughed about together. So friends can be replaced but your one of the friends that can't be. Always make the most out of life and you'll go a long ways. Let's all always keep in touch.

P.S.-
Don't forget who stood in line for this annual!

Teresa,

Well can you
believe that crazy
ole Maine is finally
getting out of S.B.?
This has really
been a fun year
in first period
and your sure helped
to make it that
way. You are a
wonderful person
and a great friend.
Keep that same
smile and personality
and you'll go far.
Best of luck
in everything you
do now and in the
future.

TERESA,
It's been nice knowing

you these years, although
we didn't really associate
except in the 10th grade.

I don't know ~~what~~ to write but I may as well finish this section. I

Know you'll remember me
as sweet and innocent!

Be good and if you can't be good, be CAREFUL!
