INTRODUCTION

Sorting Some Of The Wrights Of Southern Virginia is a multipart project. Each part will discuss a separate Wright family, beginning with the oldest known ancestor of that line. This work 1835/36 Thomas Wright Of Gloucester County is Part XXIV of the project.

The material for this project is organized in four sections. The first is the Text, the second is the Descendants Chart, the third is the Source List, and the fourth is a set of Appendices.

The Text provides full and literal transcriptions of all documents and sources found for the individuals discussed, as well as explanations of the significance of documents and the evidentiary logic for conclusions that are not obvious on their face. Four generations of descendants are discussed. Every researcher has faced the frustration of an asserted identification without a source reference or explanation of the conclusion or with a source reference which when consulted turns out to say something different than what was claimed. By providing full transcriptions of sources, I hope to allow the reader to reach their own conclusions regarding the identifications given and avoid the need to search out the source, even though this adds considerably to the length of the text. When secondary sources are relied on, the person providing the information is listed.

The Descendants Chart is organized with the oldest ancestor in the first column and each descendant from that ancestor in the remaining columns, to the extent known. The basic data of date and place of birth, marriage, residence, and death are given for each individual. The sources for that information are also given for each individual, using code numbers to the Source List.

The Source List provides a chronological listing of sources as they were found or consulted. The chronological listing evolved from my early years in research and mistaken efforts at coding the source. By the time I realized the inappropriateness of the coding format, there was too much information in a pre-computer era to correct the early references. The reader is left with the result and my apology.

The Appendices list all of the known Wright documents for a particular type of record for a county in chronological order and include an identification of the Wright named in the record. These Appendices have been published separately by Heritage Books, Inc., and to date have included Wright birth, marriage, personal property tax, census, deed, land tax, death, cemetery, and probate records for Amherst, Appomattox, Bedford, Botetourt, Campbell, Cumberland, Essex, Franklin, Montgomery, Nelson, Patrick, Prince Edward, Roanoke, and Rockbridge Counties, Virginia, the City of Lynchburg and the City of Roanoke, Virginia. Other counties will follow in the future. The Appendices allow a cross referencing of the known records to the person discussed. This is to avoid having the same record cited for two different persons who happened to have the same name and to provide a list of documents that have not

been associated with any person and which might be inconsistent with asserted identifications.

The numerous Wrights found in the same geographic areas necessitated an identification system to keep their identities separated. The system selected early on was to list a person by their year of death and county of residence at death, when known. For example, "1776 Augustine Wright of Amherst County" indicates that this was the Augustine Wright who died in 1776 in Amherst County. If no state is listed after the county, the state is Virginia; counties in states other than Virginia have a state listed after the county, as in "1825 Achilles Wright of Oldham County, Kentucky". A parenthetical after the name indicates an identification of the person when a place of death is not yet known, as in "John Wright (Goochland County Carpenter)." A county in parentheses after the name indicates the county with which that person was most identified when no evidence of the place of death has yet been found, as in "William Wright, Sr. (Bedford County)."

Numerous other researchers have shared their records and research, often providing the breakthrough which permitted the identification of a person. I have attempted to recognize those fellow researchers by identifying their contributions in the text and source list. The quotations from published works are made with the permission of the author.

This is a work in process and I would be most interested in receiving additional information about any of the persons identified in these records in order to correct any errors or expand on the information given.

XXIV. 1835/36 Thomas Wright of Gloucester County, His Wife Susan ( ) Wright, And His Descendants

The parents of 1835/36 Thomas Wright of Gloucester County have not as yet been identified.

In addition, no male Wright descendant of 1835/36 Thomas Wright of Gloucester County has as yet participated in the Wright DNA Project, so the haplogroup of this family is not as yet known.

However, as more fully set forth below, the 1910 Census for Campbell County, Virginia, listed William F. Wright, who was 1927 William Floyd Wright of Campbell County and a great grandson of 1835/36 Thomas Wright of Gloucester County, in the Lucy E. Wright household on May 9, 1910, and his relationship as cousin. The Lucy E. Wright of this record was Lucy E. (Milstead) Wright, the widow of George F. Wright, a son of George Alexander Wright, grandson of 1823 George Wright of Campbell County, and great grandson of Robert Wright, Sr. (Campbell County). The listing of William F. Wright as a cousin identifies the family of 1835/36 Thomas Wright of Gloucester County as related to the family of Robert Wright, Sr. (Campbell County). Further research will be required to determine the precise connection of these families. The Wright Family DNA Project has listed the haplogroup of the family of Robert Wright, Sr. (Campbell County) as R-M269, Group 4. If any male Wright descendant of 1835/36 Thomas Wright of Gloucester County should in the future participate in the Wright DNA Project, their haplogroup should be the same.

The first record of 1835/36 Thomas Wright of Gloucester County was found in Gloucester County, Virginia. However, Gloucester County, Virginia, is a burned record county with its records lost to a fire in 1820 and then lost again when they were moved to Richmond, Virginia, and burned by the fire that erupted when the city was evacuated on April 3, 1865.

The 1790 and 1800 Censuses for Gloucester County, Virginia, were among the records lost due to negligence and poor archival practices.

The primary early records of Gloucester County, Virginia, that have survived are the Personal Property Tax Lists and the Land Tax Lists.

Neither the 1810 nor the 1820 Census for Gloucester County, Virginia, listed a

Thomas Wright.

The 1820, 1821, and 1822 Personal Property Tax Lists and Land Tax Lists for Gloucester County, Virginia, did not list a Thomas Wright.

The 1823 Personal Property Tax List for Gloucester County, Virginia, first listed a Thomas Wright on March 3, 1823, with 5 slaves above 12 years of age, 1 horse, 1 two wheeled carriage, and a tax of $2.97.

The 1823 Land Tax List for Gloucester County, Virginia, did not list a Thomas Wright.

The 1824 Personal Property Tax List for Gloucester County, Virginia, listed Captain Thomas Wright on April 5, 1824, with 5 slaves above 12 years of age, 1 horse, 1 two wheeled carriage, and a tax of $2.97.

The 1824 Land Tax List for Gloucester County, Virginia, did not list a Thomas Wright.

The 1825 Personal Property Tax List for Gloucester County, Virginia, listed Captain Thomas Wright on March 7, 1825, with 6 slaves above 12 years of age, 2 horses, 1 two wheeled carriage, and a tax of $3.56.

The 1825 Land Tax List for Gloucester County, Virginia, did not list a Thomas Wright.

The 1826 Personal Property Tax List for Gloucester County, Virginia, listed Captain Thomas Wright on March 11, 1826, with 6 slaves above 12 years of age, 3 horses, 1 gig & harness, and a tax of $3.68.

The 1826 Land Tax List for Gloucester County, Virginia, listed for the first time Thomas Wright with 165 acres of land near York River and 8 miles west of the courthouse.

The 1827 Personal Property Tax List for Gloucester County, Virginia, listed Thomas Wright on February 5, 1827, with 6 slaves above 12 years of age, 3 horses, 1 gig & harness, and a tax of $3.68.

The 1827 Land Tax List for Gloucester County, Virginia, listed Thomas Wright with 165 acres of land near York River and 8 miles west of the courthouse.

The 1828 Personal Property Tax List for Gloucester County, Virginia, listed Thomas Wright on March 3, 1828, with 7 slaves above 12 years of age, 3 horses, 1 gig

& harness, and a tax of $4.15.

The 1828 Land Tax List for Gloucester County, Virginia, listed Thomas Wright with 165 acres of land near York River and 8 miles west of the courthouse.

The 1829 Personal Property Tax List for Gloucester County, Virginia, listed Captain Thomas Wright on March 2, 1829, with 7 slaves above 12 years of age, 3 horses, 1 gig & harness, and a tax of $3.60.

The 1829 Land Tax List for Gloucester County, Virginia, listed Thomas Wright with 165 acres of land near York River and 8 miles west of the courthouse.

The 1830 Personal Property Tax List for Gloucester County, Virginia, listed Thomas Wright on February 13, 1830, with 8 slaves above 12 years of age, 2 horses, 1 gig & harness, and a tax of $3.46.

The 1830 Personal Property Tax List for Gloucester County, Virginia, also listed Thomas B. Wright on March 6, 1830, with no property or tax. As set forth below, this was the only listing of Thomas B. Wright in Gloucester County, Virginia, and is consistent with his move away from that county and marriage in 1832 in Campbell County, Virginia, and his listing in his 1882 death record as the son Thomas and Susan Wright. This record indicates that Thomas B. Wright was born before March 6, 1814.

The 1830 Land Tax List for Gloucester County, Virginia, listed Thomas Wright with 165 acres of land near York River and 8 miles west of the courthouse.

The 1830 Census for Gloucester County, Virginia, listed one Thomas Wright with the following household:

Names Heads of Families	Free White Males	 Age	Free White Females	 Age
Thomas Wright	1	30-40	1	40-50
			1	20-30
			1	0-5

Slaves Male	Age	Slaves Female	Age	Free Colored Males	Age	Free Colored Females	Age
2	36-55	1	55-100				
2	10-24	3	24-36				
1	0-10	1	10-24				
		3	0-10				

	White Persons included in the foregoing				
Total	Deaf & Dumb Under 14	Deaf & Dumb 14 to 25	Deaf & Dumb 25+	Blind	Aliens - Foreigners & Naturalized
17					

Slaves and Colored Persons, included in the foregoing			
Deaf & Dumb under 14	Deaf & Dumb 14 to 25	Deaf & Dumb 25+	Blind

This record indicates that Thomas Wright was born between about 1790 and 1800. The listing of only one male in this household is consistent with the separate listing of Thomas B. Wright in the 1830 Personal Property Tax List and his move out of the household of his father. The female aged 40 to 50 was probably his wife Susan (____) Wright and indicates that she was born between about 1780 and 1790.

The 1831 Personal Property Tax List for Gloucester County, Virginia, listed Thomas Wright on February 19, 1831, with 8 slaves above 12 years of age, 2 horses, 1 gig & harness, and a tax of $2.62.

The 1831 Land Tax List for Gloucester County, Virginia, listed Thomas Wright with 165 acres of land near York River and 8 miles west of the courthouse.

The 1832 Personal Property Tax List for Gloucester County, Virginia, listed Thomas Wright on February 11, 1832, with 8 slaves above 12 years of age, 3 horses, 1 gig & harness, and a tax of $2.68.

The 1832 Land Tax List for Gloucester County, Virginia, listed Thomas Wright

with 165 acres of land near York River and 8 miles west of the courthouse.

The 1833 Personal Property Tax List for Gloucester County, Virginia, listed Thomas Wright on February 23, 1833, with 7 slaves above 12 years of age, 3 horses, 1 gig & harness, and a tax of $2.43.

The 1833 Land Tax List for Gloucester County, Virginia, listed Thomas Wright with 165 acres of land near York River and 8 miles west of the courthouse.

The 1834 Personal Property Tax List for Gloucester County, Virginia, listed Thomas Wright on February 15, 1834, with 9 slaves above 12 years of age, 4 horses, 1 carriage & harness, and a tax of $4.49.

The 1834 Land Tax List for Gloucester County, Virginia, listed Thomas Wright, resident in Gloucester County, with 165 acres of land near York River and 8 miles west of the courthouse.

The 1835 Personal Property Tax List for Gloucester County, Virginia, listed Thomas Wright on April 15, 1835, with 9 slaves above 12 years of age, 4 horses, 1 carryall & harness, and a tax of $3.49.

The 1835 Land Tax List for Gloucester County, Virginia, listed Thomas Wright with 165 acres of land near York River and 8 miles west of the courthouse.

The 1835 Land Tax List for Gloucester County, Virginia, listed Thomas Wright with 165 acres of land near York River and 8 miles west of the courthouse.

The 1836 Personal Property Tax List for Gloucester County, Virginia, listed Thomas Wright on April 14, 1836, with no property and indicated as "removed".

The 1835 and 1836 Personal Property Tax Lists taken together indicate that Thomas Wright died between April 15, 1835, and April 14, 1836, and therefore, was removed from the Personal Property Tax Lists.

The 1836 Land Tax List for Gloucester County, Virginia, listed Thomas Wright with 165 acres of land near York River and 8 miles west of the courthouse and an additional 3½ acres purchased from Ann W. Taliaferro.

The 1837 Land Tax List for Gloucester County, Virginia, did not list Thomas Wright, consistent with his death in 1835 or early 1836.

The death record of Thomas B. Wright dated January 1, 1882, in Campbell County, Virginia, listed his parents as Thomas Wright and Susan (____) Wright and his

age as 67, indicating a date of birth in about 1815, and his birth in Campbell County, Virginia:

"Place of Death:	Campbell County, Virginia
Line Number:	6
Name of Deceased:	Thos. B. Wright
Race:	White
Sex:	Male
Age:	67
Date of Death:	January 1, 1882
Place:	Campbell
Cause of Death:	Pneumonia
Name of Parents:	Tho. and Susan Wright
Birthplace of Deceased:	Campbell County
Occupation:	Farmer
Consort of:	Nancy Wright
Name of Informant:	N. Wright
Relation of Informant:	Wife
Commissioner of the Revenue:	R. M. Cocke
Date Record Filed:	September 1883"

However, the information in this record appears to have been in part incorrect, based on the following evidence.

As set forth above, the 1830 Personal Property Tax List for Gloucester County, Virginia, listed Thomas B. Wright. The 1831 Personal Property Tax List for Gloucester County, Virginia, did not list Thomas B. Wright, consistent with his move to Campbell County, Virginia, and marriage there in 1832.

In addition, the death record of Benjamin Franklin Wright, a son of Thomas B. Wright, dated on March 7, 1916, in Campbell County, Virginia, listed his parents as William Thomas Wright, born in Gloucester County, Virginia, and Sarah Wood.

Also, the death record of John H. Wright dated on November 6, 1922, in Lynchburg, Virginia, listed his parents as Thomas B. Wright, born in Gloucester County, Virginia, and Elizabeth Wood.

In addition, the death record of James Robert Wright, another son of Thomas B. Wright, dated on June 4, 1934, in Campbell County, Virginia, listed his father as Tom Wright, born in Gloucester County, Virginia. Similarly, Virginia, Campbell, Lynchburg, Diuguid Funeral Home, Records, 1820-1971, available from FamilySearch.org, listed the same information.

These records indicate that 1882 Thomas B. Wright of Campbell County was probably born in Gloucester County, Virginia, rather than Campbell County, Virginia.

However, the absence of 1835/36 Thomas Wright from the 1810 and 1820 Censuses for Gloucester County, Virginia, and from the 1820 through 1823 Personal Property Tax Lists indicate that he probably lived in another county during the period when Thomas B. Wright was born. That other county has not as yet been identified.

The date of birth of 1882 Thomas B. Wright of Campbell County may also have been listed incorrectly in his death record. As set forth above, the 1830 Personal Property Tax List indicates that Thomas B. Wright was born before March 6, 1814. And as more fully set forth below, the 1860 Census listed the age of Thomas B. Wright as 57, indicating a date of birth in about 1803, the 1870 Census listed his age as 61, indicating a date of birth in about 1809, and the 1880 Census listed his age as 69, indicating a date of birth in about 1811. The marriage bond of Thomas B. Wright and Elizabeth Wood was dated in 1832, which would make him only 17 years old at the time of his marriage if his birth was in 1815. This would be somewhat young for his marriage and the earlier dates of birth indicated in the census records were probably closer to his actual date of birth. This in turn would indicate that 1835/36 Thomas Wright of Gloucester County and Susan (____) Wright were probably married well before 1815 and possibly as early as 1802.

1835/36 Thomas Wright of Gloucester County may also have been related to the family of 1809 John Wright of Buckingham County and his son 1813 John Wright of Buckingham County and his grandson 1842 Thomas Wright of Buckingham County.

As set forth in Sorting Some Of The Wrights Of Southern Virginia, Part XXVIII, the 1850 Census for Buckingham County, Virginia, listed the birthplace of Elizabeth (____) Wright, the wife of 1842 Thomas Wright of Buckingham County, as in Gloucester County. Similarly, the marriage bond of Thomas B. Wright and Elizabeth Ann Wood dated on July 22, 1832, in Campbell County, Virginia, listed William G. H. Bingham as surety. In her email dated March 27, 1999, Brett A. Martin stated that William G. H. Bingham married Martha Wright in about 1830 in Gloucester County, Virginia. Virginia, Death Registers, 1853-1911, available from Ancestry.com, listed the death of Martha J. Bingham, the wife of William G. H. Bingham, on December 24, 1889,

in Montgomery County, Virginia, and her age as 83, indicating a date of birth in about 1806, and her place of birth as in King and Queen County, Virginia, which is immediately north of Gloucester County, Virginia. This record indicates that 1835/36 Thomas Wright of Gloucester County may have resided in King and Queen County, Virginia, prior to his move to Gloucester County, Virginia. King and Queen County is also a burned record county and no record of 1835/36 Thomas Wright in that county has as yet been found.

While this set of records indicates a connection of 1842 Thomas Wright of Buckingham County to Gloucester County and therefore, possibly to 1835/36 Thomas Wright of Gloucester County, further research will be required to confirm any connection of the family of 1809 John Wright of Buckingham County to 1835/36 Thomas Wright of Gloucester County.

Such a connection might be ascertained by Y-DNA sequencing. As set forth in Sorting Some Of The Wrights Of Southern Virginia, Part XXVIII, the haplogroup of the family of 1809 John Wright of Buckingham County has been established in the Wright DNA Project as R-M269, Group 4. If a male Wright descendant of 1835/36 Thomas Wright of Gloucester County could be found who would be willing to participate in the Wright DNA Project, a biological connection between these two families might be confirmed or denied.

From the evidence set forth above and additional evidence set forth below, the children of 1835/36 Thomas Wright of Gloucester County and Susan (____) Wright were the following:

1) Thomas B. Wright, born in about 1803 or 1809 or 1811 or before March 6, 1814, or in about 1815 in Gloucester County, Virginia, or possibly Campbell County, and

2) probably Martha J. (Wright) Bingham, born between about 1800 and 1805 or in about 1803 or on September 21, 1806, or in about 1807 in King & Queen County, Virginia.

A. 1882 Thomas B. Wright Of Campbell County, His Wives Elizabeth Ann "Betsy" (Wood) Wright And Nancy (____) Wright, And His Descendants

1882 Thomas B. Wright of Campbell County was a son of 1835/36 Thomas Wright of Gloucester County and Susan (____) Wright. (1835/36 Thomas[1])

The 1830 Personal Property Tax List for Gloucester County, Virginia, listed Thomas B. Wright on March 6, 1830, with no property or tax. This was the only listing of Thomas B. Wright in Gloucester County, Virginia, and is consistent with his move away from that county and marriage in 1832 in Campbell County, Virginia, and his listing in his 1882 death record as the son Thomas and Susan Wright. This record indicates that Thomas B. Wright was born before March 6, 1814.

Thomas B. Wright has not as yet been found in the 1830 Census.

On April 4, 1831, at Campbell County, Virginia, D.B. 18/287, Thomas B. Wright and William G. H. Bingham purchased from Lorenzo and Lucy Norvell the dower interest of Lucy Norvell in 60 acres of land in Campbell County:

> "This Indenture made this 4' day of April One thousand Eight hundred and thirty one between Lorenzo Norvell and Lucy his Wife of the one part and William G. H. Bingham and Thomas B. This record indicates that Thomas B. Wright was born in about 1811. The listing of Thomas Wright as a widower and the absence of Elizabeth Ann (Wood) Wright from the household indicates that she had probably died before June 1, 1880.

The death certificate of Thomas B. Wright was dated on January 1, 1882, in Campbell County, Virginia:

"Place of Death:	Campbell County, Virginia
Line Number:	6
Name of Deceased:	Thos. B. Wright
Race:	White
Sex:	Male
Age:	67
Date of Death:	January 1, 1882
Place:	Campbell

Name of Parents:	Tho. and Susan Wright
Birthplace of Deceased:	Campbell County
Occupation:	Farmer
Consort of:	Nancy Wright
Name of Informant:	N. Wright
Relation of Informant:	Wife
Commissioner of the Revenue:	R. M. Cocke
Date Record Filed:	September 1883"

Nancy was often used as a diminutive of Ann and no record of a second marriage of Thomas B. Wright and a Nancy has as yet been found. However, Nancy was also listed as the informant, whereas the 1880 Census indicated that his first wife Elizabeth Ann had died and left Thomas a widower. Taken together, these two records indicate that Thomas B. Wright married as his second wife Nancy (____) Wright. As set forth above, this record probably listed his age and place of birth incorrectly.

The death record of Mary Ann Coles dated on January 17, 1915, in Campbell County, Virginia, listed her parents as Thomas Wright, born in Virginia, and unknown and her birth on August 3, 1838, in Campbell County, Virginia.

The death record of Benjamin Franklin Wright dated on March 7, 1916, in Campbell County, Virginia, listed his parents as William Thomas Wright, born in Gloucester County, Virginia, and Sarah Wood, born in Virginia, and his birth on April 25, 1854, in Campbell County, Virginia.

The death record of John H. Wright dated on November 6, 1922, in Lynchburg,

Virginia, listed his parents as Thomas B. Wright, born in Gloucester County, Virginia, and Elizabeth Wood, born in Virginia, and his birth on February 14, 1847, in Campbell County, Virginia.

The death record of James Robert Wright dated on June 4, 1934, in Campbell County, Virginia, listed his parents as Tom Wright, born in Gloucester County, Virginia, and unknown and his birth on September 2, 1850, in Campbell County, Virginia.

In his email dated January 13, 2000, Leslie N. Wright enclosed a family tree which stated that Thomas B. Wright was born in 1803 in Campbell County, Virginia, married Elizabeth Ann Wood on August 22, 1832, in Campbell County, Virginia, and died on January 1, 1882, in Campbell County, Virginia, that Elizabeth Ann (Wood) Wright was born in 1814 in Campbell County, Virginia, and that Thomas B. Wright and Elizabeth Ann (Wood) Wright had the following children:

1) William R. Wright, born in 1837,
2) Mary A. (Wright) Johnson, born in 1842,
3) Amanda I. Wright, born in 1846,
4) Martha A. Wright, born in 1848,
5) Rebecca I. Wright, born in 1850,
6) John Wright, born in 1851,
7) James Robert Wright, born in 1852 at Campbell County, Virginia, and
8) Elizabeth Wright, born in 1856.

From the evidence set forth above and additional evidence set forth below, the children of 1882 Thomas B. Wright and Elizabeth Ann or Nancy (Wood) Wright were the following:

1) Sarah E. (Wright) Hodges, born in about 1833 in Virginia,
2) William Richard Wright, born in about 1836 or 1837 in Campbell County, Virginia,
3) Mary Ann (Wright) Coles, born on August 3, 1838, or in about 1839 or 1842 or 1844 in Campbell County, Virginia,
4) Amanda J. Wright, born in about 1846 in Virginia,
5) Martha A. Wright, born in about 1848 in Virginia
6) Catherine Rebecca (Wright) Wood, born in March 1843 or in about 1844

or 1845 or 1848 or 1849 or 1850 in Campbell County, Virginia,

7) John Henry Wright, born on February 14, 1847, or in March 1848 or in about 1851 in Campbell County, Virginia,

8) James Robert Wright, born on September 2, 1850, or in about 1851 or 1852 or 1854 in Campbell County, Virginia,

9) Elizabeth F. (Wright) Day, born in about 1850 or 1853 or 1855 or 1857 in Campbell County, Virginia, and

10) Benjamin Franklin Wright, born in about 1853 or on April 25, 1854, in Campbell County, Virginia.

1. Sarah Elizabeth (Wright) Hodges, Her Husband Samuel James Hodges, And Her Descendants

Sarah Elizabeth (Wright) Hodges was a daughter of 1882 Thomas B. Wright of Campbell County and Elizabeth Ann or Nancy (Wood) Wright. (1835/36 Thomas[1], 1882 Thomas B.[2])

No direct documentary evidence has as yet been found that identifies Sarah Elizabeth Wright as a daughter of 1882 Thomas B. Wright of Campbell County and Elizabeth Ann or Nancy (Wood) Wright. However, the circumstantial evidence supports that identification.

The marriage record of Sarah Wright and Samuel J. Hodges dated on March 23, 1853, in Campbell County, Virginia, is the source for the identification of Sarah as a daughter of Thomas B. Wright and at the same time the source for the uncertainty of that identification.

The original record of this marriage from the Campbell County Clerk is partially torn and appears to read as follows:

"__pbell County March __ _53
To the Clerk of the County Court of Campbell County

You are __by authoris__ issue a Licence for the Mar__ of Mr __ul J Hodges and my Daug__ Sarah Wright this shall be your authority ___ so doing

__am Richard Wright ____ Wright
__rutus Glass

"

[Reverse side]

____ Hodges
Saml J

to(?) Mrg Con(?)

____ Wright
Sarah E

Mar 23d 1853"

The name of the father giving the consent for this marriage is obliterated by a tear in the paper. The listings "Saml J" and "Sarah E" on the reverse side are in a different hand from the remainder of the writing on that side of the document. In a note dated September 3, 2025, the Clerk of the Circuit Court stated that this document was in the marriage bonds folder and was the only document relating to this marriage in their file.

Campbell County, Virginia, Marriage Bonds 1781-1854, typed by the Genealogical Society of Utah in November 1937, listed the following marriage record at page 59:

"Campbell County, Virginia

Groom	Bride	Date	Bondsman
. . . .			
Hodges, Samuel J.	Sarah E. Wright	23 Mar. 1853	John B. Wright - f."

It is unclear on what the listing of John B. Wright as bondsman and father was based or whether it was the consent that was being listed or the marriage bond.

Virginia, Marriage Registers, 1853-1935, available from Ancestry.com, listed the marriage record of Sarah E. Wright and Samuel J. Hodges on March 23, 1853, in Campbell County, Virginia, and listed her father as Thomas B. Wright:

"Campbell 1853

Register Of Marriages

Again, it is unclear on what the listing in this Register was based, but whoever prepared this record for the clerk's office relied on something for this listing and notwithstanding the note from the clerk's office, there may have been a marriage bond which listed Thomas B. Wright as the father of Sarah E. Wright.

Virginia, Vital Records, 1715-1912, available from FamilySearch.org, also listed the marriage of Sarah E. Wright and Samuel J. Hodges on March 23, 1853, in Campbell County, Virginia, and her father as Thomas B. Wright:

> "Marriage Licenses issued from Campbell County Court Office, and Registry of Marriages therein.
>
> | | |

> | Date of License. | March 23 1853 |
> | Date of Marriage. | . |

> | Place of Marriage. | . |
> | Place of Birth. | . |
> | Residence. | . |
> | Parents' Names. | Thos. B. Wright |

Husband's Occupation. .
Minister &c. ."

Again, it is unclear on what the listing in this Registry was based, but is a second listing from the clerk's office of Thomas B. Wright as the father of Sarah E. Wright.

The most persuasive evidence from the above documents regarding the father of Sarah E. Wright is the witness "__am Richard Wright" on the original consent. As more fully set forth below, William Richard Wright was the oldest son of 1882 Thomas B. Wright and a family member would often witness consents to marriage by parents. This listing on the original consent, therefore, ties that document to the family of Thomas B. Wright and indicates strongly that the missing given name on the consent would have been Thomas.

Finally, as set forth above, the marriage record of Thomas B. Wright and Elizabeth Ann Wood was dated on July 22, 1832, in Campbell County, Virginia, and as set forth below, Sarah E. (Wright) Hodges was born in about 1833 in Campbell County, Virginia. Such a date of birth is consistent with Sarah being the oldest child of 1882 Thomas B. Wright and Elizabeth Ann (Wood) Wright.

Although this identification suffers from some uncertainty due to the inconsistencies in the records, the circumstantial evidence set forth above seems sufficient to identify Sarah Elizabeth (Wright) Hodges as the daughter of 1882 Thomas B. Wright.

The remainder of this section will set forth the other documentation that has been found for this couple and their descendants.

1927 William Floyd Wright of Campbell County was a son of 1911 William Richard Wright of Lynchburg and Chastina or Justina W. (Smith) (Dunnivant) Wright. (1835/36 Thomas[1], 1882 Thomas B.[2], 1911 William Richard[3])

The 1880 Census for Campbell County, Virginia, listed William F. Wright in the William R. Wright household on June 1, 1880, his relationship as son, and his age as 4 and born in Virginia, indicating a date of birth in about 1876.

The 1900 Census for Campbell County, Virginia, listed William F. Wright in the Elizabeth Milsted household on June 28, 1900, his relationship as boarder, his birth in January 1875 in Virginia, his marital status as single, and his occupation as day laborer.

The 1910 Census for Campbell County, Virginia, listed William F. Wright in the Lucy E. Wright household on May 9, 1910, his relationship as cousin, his age as 34 and born in Virginia, indicating a date of birth in about 1876, his marital status as single, and his occupation as house carpenter.

As set forth above, the Lucy E. Wright of this record was Lucy E. (Milstead) Wright, the widow of George F. Wright, a son of George Alexander Wright, grandson of

1823 George Wright of Campbell County, and great grandson of Robert Wright, Sr. (Campbell County). The listing of William F. Wright as a cousin identifies the family of 1835/36 Thomas Wright of Gloucester County as related to the family of Robert Wright, Sr. (Campbell County). Further research will be required to determine the precise connection of these families.

3. Mary Ann (Wright) Coles, Her Husband Fulton Or Fuller Johnson, Also Known As Fulton Or Fuller Coles, And Her Descendants

Mary Ann (Wright) Coles was a daughter of 1882 Thomas B. Wright of Campbell County and Elizabeth Ann or Nancy (Wood) Wright. (1835/36 Thomas[1], 1882 Thomas B.[2])

The 1860 Census for Campbell County, Virginia, listed Mary A. Wright in the Thomas B. Wright household on July 19, 1860, and her age as 18 and born in Virginia,

indicating a date of birth in about 1842.

The Clerk of Campbell County Circuit Court provided a copy of the marriage record of Mary A. Wright and Fuller Johnson dated on March 21, 1866, in Campbell County, Virginia:

"Marriage License.

However, Virginia, Marriage Registers, 1853-1935, available from Ancestry.com, listed the marriage as Mary A. Wright and Fulton Johnson on March 21, 1866, in Campbell County, Virginia:

"Campbell 1866

Both marriage records listed the husband's surname as Johnson, but all later records regarding this couple listed his surname as Cole or Coles. Either the clerk inadvertently mis-listed the husband's surname as Johnson because his parent was listed as Sally Johnson or the husband's surname was Johnson and he later changed it to Coles.

Although some of the information in this record is inconsistent with other records set forth above and below, this was probably the household of Fulton Coles. The given name of Fulton Coles was apparently confused with his son and the dates of birth and marriage are inconsistent with other records. Nevertheless, there was no other listing of Fulton Coles or Mary Ann (Wright) Coles or their son James F. Coles in the 1900 Census and the presence of Mary A. Coles and James F. Coles in this household indicates that it was the Fulton Coles household.

Newspapers.com listed the following news article dated on Sunday, January 7, 1906, in The News and Advance, Lynchburg, Virginia, regarding the death of Fulton Coles on January 6, 1906:

"Lost Life In Accident

Old Confederate Veteran Loses His Life in South Lynchburg

Mr. Fulton Coles, aged 65, lost his life yesterday morning between 10 and 11o'clock while at work excavating for an extension of the planing mill of S. A. Wright, in South Lynchburg. The deceased was a Confederate veteran, and is survived by a widow and an umber of adult children.

The work was being done under the direction of Mr. John W. Gills, and without the slightest warning the side of the excavation caved in. Mr. Coles endeavored to run to a place of safety, but ran into a cart, which was standing nearby and was caught by the earth and pinned between the earth and the cart, the dirt covering his legs above the knees.

Mr. Gills and the men working with Mr. Coles rushed to him to assist him, but it was soon found that the injuries received by the unfortunate man were fatal. Both of his collar bones were fractured, and he received internal injuries, all of which caused his death in about an hour after the accident took place.

The remains of Mr. Coles were removed to his home in Durmid, where they will be kept until the funeral, which will probably take place sometime today"

Lynchburg, Va., Jan. 17. - Mrs. Mary Ann Coles, aged 76 years, died this morning at her home in Campbell county near the city. She was a native of Campbell and a daughter of the late Thomas Wright."

Newspapers.com also listed the following obituary dated on Tuesday, January 19, 1915, in The News and Advance, Lynchburg, Virginia:

"Death Of Mrs. Coles.

Mrs. Mary Ann Coles, aged 76 years, died early Sunday morning at her home, in the county, a short distance from the city. She was a Miss Wright before her marriage, and had lived her whole life in Campbell county.

The funeral services were held yesterday morning at 10:30, conducted by Rev. H. L. Cathey, the interment being in Wright's burying ground, Campbell county. Mrs. Coles is survived by two sons, Joseph and William R. Coles, of Durmid; three brothers, John and Berry F. Wright, of Durmid, and Robert Wright, of Campbell county; also one sister, Mrs. J. A. Wood, of Durmid."

The listing of John Wright, Robert Wright, and Mrs. J. A. Wood as siblings confirms the identity of Mary Ann (Wright) Coles as the daughter of 1882 Thomas B. Wright and

Elizabeth Ann or Nancy (Wood) Wright. The brother listed as Berry F. Wright was apparently a mis-listing of Mary Ann's brother Benjamin Franklin Wright.

The death record of James Coles dated on February 14, 1943, in Lynchburg, Virginia, listed his parents as Fulton Coles and Mary Wright and his age as 68 in Campbell County, Virginia, indicating a date of birth in about 1875.

The death record of William Richard Coles dated on April 30, 1955, in Lynchburg, Virginia, listed his parents as Fulton Coles and Mary Wright and his birth on October 18, 1872, in Campbell County, Virginia.

In his email dated January 13, 2000, Leslie N. Wright enclosed a family tree which stated that Mary A. Wright was a daughter of Thomas B. Wright and Elizabeth Ann (Wood) Wright, was born in 1842, and married Fulton Johnson on March 21, 1866, in Campbell County, Virginia.

From the evidence set forth above and additional evidence set forth below, the children of Mary Ann (Wright) Coles and Fulton or Fuller Coles were the following:

1) Ann Coles, born in about 1868 in Virginia,

2) Sarah Elizabeth (Coles) Lindsay, born in about 1868 or in July 1869 or in May 1870 in Campbell County, Virginia,

3) Susan Catherine (Coles) Yates or Yeatts, born on March 9, 1871, or in about 1872 in Campbell County, Virginia,

4) William Richard Coles, born on October 18, 1872, or in January 1873 or on Jul y11, 1874, at Candlers Mountain, Campbell County, Virginia, and

5) James F. Coles, born in about 1875 or 1877 or 1878 or 1880 or 1885 in Campbell County, Virginia.

a. Ann Coles

Ann Coles was a daughter of Mary Ann (Wright) Coles and Fulton or Fuller Coles. (1835/36 Thomas[1], 1882 Thomas B.[2], Mary Ann[3])

The 1870 Census for Campbell County, Virginia, listed Ann Cole in the Fulton Cole household on June 30, 1870, and her age as 2 and born in Virginia, indicating a date of birth in about 1868.

The 1880 Census for Campbell County, Virginia, did not list an Ann Coles in the Fuller Coles household on June 4, 1880, indicating that she had probably died before

that date.

b. Sarah Elizabeth (Coles) Lindsay, Her Husband James W. Lindsay, And Her Descendants

Sarah Elizabeth (Coles) Lindsay was a daughter of Mary Ann (Wright) Coles and Fulton or Fuller Coles. (1835/36 Thomas[1], 1882 Thomas B.[2], Mary Ann[3])

The 1880 Census for Campbell County, Virginia, listed Sarah E. Coles in the Fuller Coles household on June 4, 1880, her relationship as daughter, and her age as 10 and born in Virginia, indicating a date of birth in about 1870.

The 1880 Census for Campbell County, Virginia, listed James W. Lindsay in the William F. Lindsay household on June 14, 1880, his relationship as son, and his age as 11 and born in Virginia, indicating a date of birth in about 1869.

Virginia, Marriage Registers, 1853-1935, available from Ancestry.com, listed the marriage of Sarah E. Coles and James W. Lindsay on July 29, 1891, in Campbell County, Virginia:

However, as set forth below, Morgan Lee Yates married his second wife on February 16, 1903. The listing of Susan as Coles rather than Yates and the date of death in this record indicates that Susan Catherine (Coles) Yates and Morgan Lee Yates may have divorced before February 16, 1903, or alternatively, that the date of death and age at death were mistakenly listed.

"Walter Lee Wright Charged With Murder Of Mother

Woman Found Fatally Shot At Her Home

Son, Arrested, Had Notified Undertaker, Denies He Committed Act

Mrs. Walter Lee Wright, 55, of 822 Wise street, died yesterday afternoon of a gunshot wound in her side and her 26-year old son, Walter Lee Wright, Jr., is charged by Lynchburg police with the slaying.

Mrs. Wright died a few minutes after she reached Lynchburg General Hospital where she was taken by an ambulance summoned by her son. Dr. James Wilkins, City coroner, said she had a gaping wound in the side of the abdomen.

When attendants from the Whitten Funeral Home arrived at the house, they found Mrs. Wright lying in the floor. The son accompanied the ambulance and remained at the funeral home where he was put under arrest by the police.

From the dead woman's husband, police said the learned that the son came in about 1 o'clock yesterday morning and for three hours stamped about the house "fussing and cussing." Walter left the house about 4 o'clock and Mr. Wright said he did not return until his father was at church, officers related.

Ran Father From Home

When he returned home Mr. Wright brought with him J. W. Hodges of 511 Thirteenth street. Walter became enraged at his father and ran him out of the house with the shotgun, police said they learned from the men. Mr. Hodges also left at the same time.

Mr. Wright told police that he attempted to take the gun away from his son but when he could not, left to summon another son who could handle Walter when he was drunk, the officers continued. When the father returned a short while later, he found that his wife had been shot.

From neighbors who heard the shots fired, police estimated that the shooting occurred shortly before 3 o'clock. Acting Sergeant Mose Brooks said investigating officers believed that three shots were fired.

Shotgun Found

Detective Roy Thurston found a 12-gauge single barrel shotgun in the back yard of the residence. The gun and an empty wine bottle were brought to police station.

Brooks said that the son appeared to be intoxicated when he was brought to City Hall lock-up. He told the officers that he had not shot his mother.

Born in Campbell County October 6, 1885, Mrs. Wright was the daughter of Jesse Mitchell Bell and Mrs. Julia Dudley Bell. She was a member of Rivermont Avenue Baptist Church.

She is survived by her husband and the following children: Harry W. Wright, Jesse M. Wright and Walter Lee Wright, Jr. She leaves also a brother, Charles M. Bell of Roanoke, and two sisters, Mrs. Minnie Seagle and Mrs. E. N. Gibson, both of Lynchburg.

Funeral arrangements had not been completed last night."

GenealogyBank.com listed the following news article dated on Monday, November 22, 1920, in the Virginian-Pilot, Norfolk, Virginia:

"Deny Wright Made Confession

Relatives Say He Did Not Admit Killing Miss Rosa Farmer

Lynchburg, Va, Nov. 21 - Although there have been persistent rumors in Campbell County since the death of Maben T. Wright that he made full confession that it was he who murdered Miss Rosa Farmer, a cousin, and that he did so because she was about to marry another man, the family of the dead man are making stout denial that any such confession was made.

Instead, the family has given out a statement for publication in which they declare that Wright had been praying for a long time and that he was satisfied as to the future and was not afraid to die. Neighbors in Fairview Heights who ministered to the family during Wright's illness are also of the belief that Wright did not make a confession, but that he maintained to his last words that he had never committed a crime. Wright's death occurred several days ago after a long illness of tuberculosis.

Wright was charged two years ago with the murder of his cousin Miss Rosa Farmer, who was found murdered in Candler's Mountain, south of Lynchburg, where she had gone a short distance from her mountain home to look for her traps. Wright, then a soldier at the proving ground at Aberdeen, Md., was at home at the time, and when the murder became known he fled to the mountains and was not captured for a week, suffering fearfully all the time because of cold and lack of food. Later, when captured and brought to jail here, he denied any knowledge of the murder and asserted that he fled only when he was advised that suspicion rested upon him. Wright was some days recovering from the

effects of his exposure. Later he was tried in the Circuit Court at Rustburg, Campbell county, where he was acquitted and discharged. He later returned to the army."

In his email dated January 13, 2000, Leslie N. Wright enclosed a family tree

which stated that Elizabeth Wright was a daughter of Thomas B. Wright and Elizabeth Ann (Wood) Wright and was born in 1856.

From the evidence set forth above and additional evidence set forth below, the children of Elizabeth F. (Wright) Day and Joseph Chapman Day were the following:

1) Samuel Wesley Day, born in July 1874 or on May 2 or 5, 1876, or in about 1877 in Campbell County, Virginia,

2) Joseph Chapman Day, Jr., born in September 1876 or in about 1877 or 1878 in Campbell County, Virginia, and

3) Thomas E. Day, born on July 24, 1879, in Campbell County, Virginia.

a. Samuel Wesley Day, His Wife Mary Elizabeth (Boley) Day, And His Descendants

Samuel Wesley Day was a son of Elizabeth F. (Wright) Day and Joseph Chapman Day. (1835/36 Thomas[1], 1882 Thomas B.[2], Elizabeth F.[3])

The 1880 Census for Campbell County, Virginia, listed Sallie Day in the Chapman Day household on June 2, 1880, her relationship as daughter, and her age as 4 and born in Virginia, indicating a date of birth in about 1876. Although listed as Sallie, the date of birth indicates that this was probably a listing for Samuel Wesley Day and the census taker misread his notes listing "Saml" as standing for "Sallie". No other record has been found indicating that Elizabeth F. (Wright) Day and Joseph Chapman Day had a daughter Sallie.

He was then carried to his home on Wise street, where a physician was summoned."

b. Elizabeth A. Wright, Possibly Sarah E. Wright

Elizabeth A. Wright was a daughter of 1916 Benjamin Franklin Wright of Campbell County and Sarah E. (Trent) Wright. (1835/36 Thomas[1], 1882 Thomas B.[2], 1916 Benjamin Franklin[3])

The birth record of Elizabeth A. Wright, daughter of Benjamin F. Wright and Sarah E. Wright, was dated on December 6, 1884, in Campbell County, Virginia:

The nearness of the dates of birth of Elizabeth A. Wright and Sarah E. Wright set forth below and the absence of further records of Elizabeth A. Wright suggest that Elizabeth A. Wright and Sarah E. Wright may have been the same person, Sarah's middle name was Elizabeth, and two separate birth records with different dates of birth were inadvertently recorded for them. However, the 1900 Census for Campbell County, Virginia, listed Sarah Elizabeth (Trent) Wright as the mother of 9 children, of whom 6 were then living, and the three deceased children would then be Elizabeth A. Wright, Sarah E. Wright, and Mary E. Wright. Further research will be required to determine whether Elizabeth A. Wright and Sarah E. Wright were the same person.

B. Probably Martha J. (Wright) Bingham, Her Husband William George H. Bingham, And Her Descendants

Martha J. (Wright) Bingham was probably a daughter of 1835/36 Thomas Wright of Gloucester County and Susan (____) Wright. (1835/36 Thomas[1])

No direct evidence has yet been found that Martha J. (Wright) Bingham was the daughter of 1835/36 Thomas Wright of Gloucester County. However, the following circumstantial evidence supports this identification.

As set forth above, the marriage bond of Thomas B. Wright and Elizabeth Ann Wood dated on July 22, 1832, in Campbell County, Virginia, listed William G. H. Bingham as surety. The role of surety on a marriage bond was often filled by a relative or close friend and brother in law would fit that role. As set forth below, the death record of Martha J. Bingham, the wife of William G. H. Bingham, dated on December 24, 1889, in Montgomery County, Virginia, listed her age as 83, indicating a date of birth in about 1806, and her place of birth as in King and Queen County, Virginia, which is immediately north of Gloucester County, Virginia. As set forth above, 1835/36 Thomas Wright resided in Gloucester County beginning in 1823 and the proximity of King and Queen County to Martha's place of birth in King and Queen County is consistent with a family relationship. And as set forth above and again below, on February 21, 1834, at Campbell County, Virginia, D.B. 19/353, Thomas B. Wright, the son of 1835/36 Thomas Wright, and William G. H. Bingham jointly purchased a parcel of 60 acres of land in Campbell County. Such a joint purchase indicates a close and probably family relationship between Thomas and William and given their similar ages, the relationship of brothers in law would be appropriate for these two.

While this evidence indicates a probable family relationship between Martha J.

(Wright) Bingham and 1835/36 Thomas Wright and 1882 Thomas B. Wright, further research will be required to confirm or deny this identification.

The remainder of this section will review the documentation found regarding Martha J. (Wright) Bingham, her husband William George H. Bingham and their descendants.

The marriage record of Martha J. Wright and William G. H. Bingham has not as yet been found. As set forth below, their son John Stephen Bingham was born in 1827 and therefore, the marriage probably occurred in about 1825 or 1826. If the marriage occurred in King and Queen County, the record was probably destroyed in the fires of 1828, 1833, and 1864 and if the marriage occurred in Gloucester County, the record was probably destroyed in the fire in Richmond in 1865.

The 1830 Census for Lynchburg, Campbell County, Virginia, listed William G. H. Bingham with the following household:
