THE NORTH

Colby,

Contrary to your belief, I really do like you, almost. (H₂) Even though you are the king, I don't think I'll ever bow down to you again; and likewise you to me... But; in the past few years we've gotten to know each other rather well; do you think that could be the problem? Could be! Seriously tho... loads of luck to a great, determined athlete. Next year on the field, or court, try to make some points for me, even though I probably won't be there (my school spirit is lacking recently)!
Stay cool, king
See ya next year
(good grief)

Bob Sessions and Sky Preece re-
search in library.

A school is made up of many things, buildings, desks, books, but most of all—PEOPLE. PEOPLE compose the student body and the faculty. But they mean much more than this—they mean personality. PEOPLE are alive and vital. They work and they play; they dream; they worry; they dance; they live; they believe; they argue; they laugh; they sweat; they sob; and they care. But no matter who they are or what they do, they are still PEOPLE. This, the 1964 NORTH STAR, seeks to present the PEOPLE of Northside High School.

New Principal

Our new principal, Mr. J. M. Turner, keeps a watchful eye on the students at Northside. His past experiences in twelve years of teaching have increased his concern for school spirit and sportsmanship. He was previously principal at Orange County High School — their loss — our gain! As a devoted leader of the youth at Northside, Mr. Turner's advice is valued highly. He graduated with a Bachelor of Arts degree from Emory and Henry College. He received his Masters in Education from the University of Virginia. He has served as a part-time coach and roused his team's spirit during tough spots in the season. To all Northsiders, Mr. Turner advises hard work for fewer problems in the adult world that lies beyond graduation.

The seven lovely Miss North Star finalists were chosen by the student body from a group of Junior and Senior girls nominated by homerooms. These seven were announced at the North Star Dance—Heaven On Earth. Two pictures of each girl were sent to the celebrity, Johnny Ray, to be judged on the basis of beauty.

Senior finalists were Corbie Lou Craig, Carol Holland, and Nancy Palma. Junior finalists were Carole Duffy, Katie Harless, Rosemary Hash, and Sherry Sherwood.

Congratulations to our 1964 Miss North Star, Katie Harless.

Northside students learned of German way of life from Angela.

Angela works on English quiz.

Northside Welcomes

Angela Schaaf comes to Northside from West Germany. Angela was born in Limbach, East Germany, the daughter of a Luthern Minister. Because of Communist pressure on her father, Angela and her family fled to West Germany.

She had had four years of Elementary school and nine years of high school. In high school she took fourteen subjects a year and attended school six days a week.

Angela is seventeen years old and was brought to Northside through the Central Church of the Brethren International Youth Exchange.

One of the things that impresses Angela most about Northside is the "school spirit displayed by the students."

Bouwien, and Angela ponder the complexities of American government with Paul Swink and Carol Holland.

Bouwein came to us from Holland.

Sandra Howell admires welcome for exchange students.

Northside is fortunate this year to have not one, but two foreign exchange students.

From Sneek, Holland comes Bouwien Faber through our American Field Service Plan. Bouwien is a graduate of a Holland high school and is well versed in Latin, Greek, English, German, and French. At Northside she is furthering her study of the languages by taking Spanish.

Being active in many extra-curricular clubs and being a member of the Girl's Basketball Team are of special interest to Bouwien.

Bouwien comments, "I love Northside, the students, and my new sisters, Mary Ann and Linda."

Complete at last, the stadium stands solitary in the snow.

Katy Harless cheers the team on during our first game in the stadium.

Through the efforts of the Northside Booster Club and many supporting students, enough money was raised this past year to complete the building of our new stadium.

Being able to attend football games at our own school, instead of traveling to Vinton, helped to promote more school spirit and a deep pride felt by each student.

Homecoming

Everyone at Northside experienced a new first this year. This first was our Homecoming with Drewry Mason on November 15.

Although we lost this game everyone enjoyed the previous week, for Pep-Week sponsored by the Pep Club reigned supreme over pre-Homecoming activities.

School spirit was promoted by decorating the school, staging a mock funeral service for Drewry Mason, and winding it up with a big pep rally. Every student that passed through the Front Hall could not miss the coffin and tombstone with those hopeful words, "Bury Drewry Mason". These activities were climaxed by Friday night's game.

The Homecoming Court of seven girls were chosen by our football team to reign over Homecoming festivities. These girls, four Seniors and three Juniors were: Carol Holland, Nancy Palma, Corbie Lou Craig, Nancy Carol Shaw, Katy Harless, Rosemary Hash and Carol Duffy. Nancy Carol Shaw graciously reigned as Homecoming Queen. Each of us who saw the tears of joy flowing down her cheeks felt a bit of happiness even though we lost our game.

Varsity Vikings

Under the direction of our new coach, Wallace Elliot, and the assistant coaches, Ken Shelton and Ralph Isbell, thirty-six Varsity Vikings played ten exciting games. Through both good and bad times the boys fought for the glory of Northside.

The determination of the players along with the vigorous support of the students brought Northside a spirited three months of football.

As the senior members of the team graduate in June, the juniors and sophomores move up to take their places on the varsity football team and to further Northside's position in the football world.

J.V.'s Have Winning Season

Coach Cannon led his fighting Vikings to a winning season. His eager J.V. players fought and conquered all but one opponent. These spirited victories inspired our J.V. boys. Next year these victors will be the "heros" of the 1964 season.

They out-played and out-maneuvered their opposers showing the excited onlookers that they have the makings for a great Varsity Viking team.

Freshmen displayed their talents in the 1963 season. From their coach, Jim Gallion, they learned the important plays of the game.

Freshmen look forward to the football years ahead at Northside as they move up to the J.V. team and on to become Varsity Vikings. This season proved to be a good start for them.

Improvement and Excitement Mark Varsity Basketball

This year's Viking basketball team set a winning tradition at Northside. N.H.S. was tagged as the "surprise" team of the area, but winning was no surprise to the team. They had been building this top team for a long time. This confidence plus a burning desire to win made the difference. N.H.S.'s first victim was Drewry Mason. Despite the Spartan's strength, N.H.S. defeated them 65 to 56. That was only the beginning of a great season.

The Vikings gained a reputation of being an alert team. Their fast break was regarded as the best in the area. Many times Northside fans have seen this fast break explode during the last quarter of a close game to bring the Vikings a rewarding victory.

The students of Northside are extremely proud of their team's outstanding victories and excellent sportsmanship. Everyone is looking forward to another successful season next year.

Tom Murphy passes in to the center for a two point play.

Pete Trout, a 6'1" sophomore, sinks two for Northside against Fleming.

Bill Routt drives under the basket against Bassett.

Terry Roberts jumps high to block a Fleming shot.

Bill Rieley's jump shot scores again for Northside.

Bill Rieley, Tim Emick, Bill Routt, and Mac Harris return to the locker room at half time.

David Hash drives toward the basket to raise the J. V. score.

Pat Cosmoto and Don Byrd wait for the rebound.

Hard Work and Enthusiasm

Characterize J. V.'s and Freshmen

In 1963-1964 the Jayvee and Freshman basketball players gained experience in preparation for future Varsity Viking competition. At 6:30 p.m. on weekends, loyal Viking fans gathered in the gym to watch the J. V. team play their preliminary basketball games. On weekday evenings Coach Nolen's Freshman team was seen in the gym playing other area teams. These contests afforded the boys valuable experience.

With this potential, our Varsity Viking's future looks bright.

Chocolate Parker gets pin to help wrestlers to another victory.

Being in only their second year of competition, Northside's great matmen found themselves undefeated in regular competition in the state. They rolled over all their district and City-County opposition by at least 20 point victory margins. The only team able to stop our wrestlers was powerful Appalachian, N. C., undefeated in twelve years.

Truly, the Viking wrestlers represented Northside High in brilliant fashion, "being the team to beat" in this half of the state.

Hall of Fame

Opportunities Like Edison had are **WAITING FOR YOU**

The inventions of Thomas Edison have affected the lives of people everywhere. They have created entire industries — ours, for example.

Under America's Free Enterprise system, inventive people like Edison can expect special compensations — profit, honor and satisfaction.

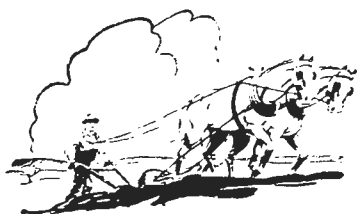

The hope of attaining such rewards has been one of our nation's greatest incentives to progress. It is a goal that prods imaginative minds in their quests for new products and methods.

Not everyone can be a Thomas Edison. However, every trained, dedicated graduate can anticipate a full measure of our society's rewards. All it takes is a willingness to work harder and contribute more.

The voice with a smile

Today, as always, the C&P voice with a smile is as close as "Operator" on your dial. Intelligently, cheerfully, the "Operator" handles phone calls to faraway places and intricate day-to-day problems of telephone users. Her job is interesting, important, demanding and rewarding. She's an indispensable member of our C&P communications service team.

FOR THOSE WHO THINK YOUNG!!

We are not sent into this world to do anything into which we cannot put our hearts. We have work to do for our bread, and that is to be done strenuously. Other work to do for our delight, and that is to be done heartily. Neither is to be done by halves or shifts, but with a will, and what is not worth this effort is not to be done at all.
