The Middle Thought...

"Getting my locker open was my biggest fear. I figured I would forget my combination or something. Thankfully, it wasn't as hard as I thought."--**Jenna Hensley, 6th grade**

"My biggest fear was the thought of being put in detention. I knew my mom would kill me if I was sent there."--**Alex Greene, 6th grade**

"I really wasn't afraid of anything when I came to school. I knew I would make new friends, and that the lockers wouldn't be that hard. It really isn't frightening, it just takes a while to get used to."--**Briana Johnson, 6th grade**

"The best part about 7th grade is that you have the same friends you had last year. The teachers were awesome, there was never a dull moment in class"--**Chelsea Mays, 7th grade**

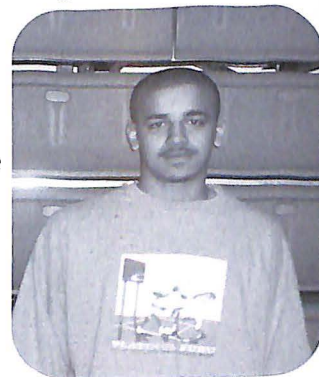

"The best part of 7th grade was being able to sit on the bleachers in the morning. You don't have to be in a certain place, you can go and sit with your friends."--**Luke Anderson, 7th grade**

"7th grade was awesome because of gym. You get to play volleyball, basketball, all kinds of really cool activities. It's always the best part of the day."--**Scott Maughn, 7th grade**

"The one thing I'll miss about this school is the girls, they're nice and cool. Go Lewis Ladies!"--**Derrick Hickman, 8th grade**

"I'll miss the 8th grade teachers the most. They're really nice and friendly. They rock!"--**Mercedes Hogan, 8th grade**

"The best part about 8th grade was science. Mrs. Williams always made it fun."--**Sarah Anderson, 8th grade**

the middle child

How it feels...

"It feels pretty good."

-Andrew Bulaski

"It feels like you are not as noticed as the older or younger child."

-Matt Carr

"Now that I am older it doesn't really matter."

-Jesse Lynch

"Sometimes its great because you can slip away easily."

-Molly Kauffman

"Frustrating!"

-Jeff Johnson

The Advantages...

"Get out of school quicker than my sisters."

-Kameron Thompson

"You have an older sibling so you can learn from them and younger so they can look up to you."

-Krysta Brown

"I get what I want when my brothers and sisters are away."

-Meredyth Saunders

"None"

-Ryan Janney

The Disadvantages...

"Don't get spoiled anymore."

-DeShera Miller

"I'm either too old or too young to do some fun things with my family."

-Meghan Dishaw

"I also get in more fights with my younger brother because he is closer in age to me."

-Emily Bixel

"The little one always gets *babied* and the older one gets the attention because she's the oldest."

-Brittany Taylor

"Everything's a disadvantage because I'm the only one that doesn't need help with my homework."

-Hunter Cox

WE'VE BEEN THERE FOR FAMILIES SINCE 1866.

The building that houses John M. Oakey & Son was built to be a family home around the turn of the century. In 1936 Henry A. Oakey, son of John M. Oakey, converted it to a funeral home, and that's what it's been ever since. We've tried to retain the unpretentious, intimate atmosphere that makes the house a continuing comfort to families in times of need. To every funeral we conduct we bring the wealth of experience accumulated over the generations of serving families in the Roanoke Valley.
