**Be Brave,
Work Hard,
& Be Nice!**

Dear Crystal Spring Tigers,

Our 2021-2022 school year is coming to a close and we have so many things to celebrate as we wrap an excellent school year. First, I would like to thank you all for being so welcoming to me in my new role as Principal of this amazing school. Crystal Spring teachers, students, families, and community members all have a reputation for excellence, and you all did not disappoint. Let's reflect on all that we accomplished in this amazing school year.

We began our school year with many uncertainties and questions about what our "new normal" would look like. With schools shutting down in March of 2020 and moving through the 2020-2021 school year without a five-day school week and a shortened day, we had not been in school full-time in sixteen months. We still had most of our mitigation strategies in place from the previous school year, so we were able to keep our school open students learning as much as possible.

Thankfully, we were able to have several of the Crystal Spring traditional events take place this school year. We had our Prowl-A-Thon, Halloween Costume Parade, and Turkey Bowl in the fall and plan on having our annual spring events (Fun Day, School Dance, and 5th grade Promotion) as we close out the school year.

Each day, our morning announcements end with the following phrase: Be Brave, Work Hard and Be Nice! It is important that we approach every day with purpose, and this simple phrase is an excellent reminder of how we take on our daily tasks to get just a little better. Be Brave: try something hard or something new. Sometimes things are hard and that's ok. That's how we get better. Work Hard: stay focused on the task at hand and get your stuff done. Finally, BE NICE: treat others with kindness and respect and remember to treat people the way you would like to be treated. If we do these three things every day, we will be all right.

Be Brave, Work Hard and BE NICE!

All About Ms. Long

- **Where were you born?** I was born in Memphis, Tennessee.
- **What is your favorite outdoor activity?** I'd much rather be outdoors than in. I really like finding a warm spot in the sun and relaxing with a good book.
- **What is your favorite food?** This is hard to answer! I love food but couldn't live without peanut butter.
- **Where is your favorite vacation spot?** A good vacation spot is anywhere there is a large body of water.
- **What is your favorite treat?** Preacher Cookies are a favorite because of the mixture of peanut butter, oats and cocoa powder. And they're easy to make!
- **What is your favorite book?** I have a long list of favorites! Historical fiction is my favorite genre.
- **What is your favorite thing about teaching?** The best thing about teaching is getting to witness a student's "aha moment" and the joy, excitement and confidence that follow it.
- **What is your favorite thing about Crystal Spring?** I love our Crystal Spring family. I learn so much from my coworkers and I'm energized every morning by the smiling and eager faces of our students. It is a privilege to be in such a supportive community that truly feels like family.
