OAK GROVE
ELEMENTARY SCHOOL
1987-1988

DEDICATION

Among the Oak Grove Staff, no one is more efficient in performing her duties than this year's honoree. For nine years, this energetic lady has used her talents to serve the Oak Grove Staff and students. She is dependable and always ready to adjust her schedule in order to meet the needs of the school.

This lady can be heard saying "Here — They — Come —" to her fellow workers. Her innovative ideas have brought us a variety of new dishes and choices for lunch.

It is with great affection and appreciation that we dedicate the 1987-1988 Oak Leaves to our own *Gail Boitnott*.
