SENIOR PROPHECY

Last night I gave a party in honor of the graduating class of '47. Much to my surprise all were present. Although, ten years from graduation we think of ourselves as dignified, we all gathered around in a circle on the floor. They told each other what they had been doing for the past 10 years. As they talked, I wrote down all they said. First in the circle was:

Billy Bob Long I entered college in Roanoke and attended for two years. On my third year, I was kicked out, and in '50 I married. My wife left me, so I don't know what to do next.

Marcus Conner I also went to National Business College and have been there ever since. I probably will stay there until the G. I. Bill of Rights runs out.

Nancy Morrisette-Wood I married after graduation, and now I have a son 7 years old and a daughter 3. We are living in Salem as it is near my husband's work.

Donald Yopp I went to work at an automobile company, but I went to sleep while trying to test a car and was fired. Right now, I'm looking for an easy job.

Mary Alice Whitlock I went in training at the Lewis-Gale Hospital. I stayed there until my dream-man came back from the Army, and then I gave up my job and made a home for Bobby.

Lonnie Richardson I went into the Navy, and after serving for 4 years, I returned home. I started playing baseball with the St. Louis Cardinals, and as you know, we haven't been defeated this season!

Jack Poff I went to work for the Roanoke Times as reporter, and now, I am Assistant Editor. I am looking forward to being Editor before too long; after all, I had some wonderful experience as Editor of the Shawsville Hi-Lights.

Margaret Moses I run a small tea room in Salem, where I first was employed. I was then half owner, and now owner. I'm not using sales talk now, but any time you want fine cakes and teas, look me up at 1235½ Water Street, Salem, Virginia.

Glen Sisson I have been farming since graduation, and when I have enough money to buy a home, I'm gonna "get-hitched!"

Dorothy Saunders I went in training, but I began to look around and found the future looked kinda dark without a partner. Then I quit nursing and worked as a typist until I met my prince!

Charles Corell After graduation, I went to Washington in high hopes of being a great politician and aid the president. However, as you already know, I ended up with Ringling Brother's Circus, and believe it or not, I like it!

Myrtle Butt I went in training with Mary Alice at Lewis-Gale, and now I am head nurse on the first floor. Is anyone sick?

Mildred Cook I went to Richmond and took a beauty course, and now I am a beautician at Epperly's Beauty Shop at Christiansburg, Virginia.

Frances Richardson I went to California in 1949, but was disappointed and now I'm employed as baby-sitter to Mrs. Lord Pushbottom.

Alice Alls I went to Washington and worked in a government office. Later I came to Elliston and am now teaching the seventh grade.

Barbara Noell I have been a majorette with the Military Band at V.P.I. in Blacksburg since 1950 and still want to be until I meet someone who I could like better than my job.

Jackie Pendleton I went to work at the Miller's Drug Co. in Christiansburg making banana splits and chocolate sundays. One day when I saw the boy who brings the ice cream, I split my finger instead of the banana.

Marjorie Pendry I went to New York and became a model, and I received a golden cup last year at the Virginia Beach Beauty Contest. I like my career and hope I will be as successful the next 10 years as I have been in the past.

Mary Lee Basham I have been working in Texas in the Rodeo, giving lessons on "How to Reduce." I like it just fine in the Texas sunshine.

Sarah Belle Hall I went to the Radford State Teacher's College for four years and am now teaching English at the Christiansburg High School.

Juanita Moses I went to National Business College and stayed four years. I met a professor and now we are both teaching there.

January 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

February 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

March 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

April 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

May 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

June 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

July 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

August 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

September 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

October 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

November 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

December 1941 I went to London, and I stayed at the
Royal Hotel, and I stayed there for a long time.
Then I went to the office and stayed there until I was
at home.

Dorothy Sisson I went to Madison College and took a course in agriculture, and I am now the 4-H Club Home Demonstration Agent in Montgomery County.

Mary Helm I attended Radford College, as you probably know, and I later was married. I now live in a trailer because I follow my husband, who is now in the Navy.

Ramona McNew I joined the WACS and like it fine. I am now a Pfc. and looking forward to another promotion.

Treva Perdue I went to National Business College and was captain of the basketball team there for two years. Now I am back at SHS, as basketball coach.

Madeline Poff As most of you know, I write a column "Advise to the Lovelorn" in Jack Poff's paper. If any of you need advice--remember me!

Maxine Dalton I went to Kentucky in the summer of '48 to visit my aunt and to see if there was any work that I would be interested in. I found a job in the Army Recruiting Office.

Dorothy Graham I married in '49, a man who owned a farm in Georgia. I have always liked a farm and hope we can stay there for a long time to come.

Jane Grey Barnett I went to Hollins College in Roanoke. After I finished, I worked in an orphanage home.. Now I am the assistant director there. I have gotten everything in life that I want except--Charlie.

Colleen Keith-Wimmer I got a job as stewardess with the American Air Lines in New York, and my husband is the pilot. I like my job and have really been up in the air since I married in '49!

Billie Cook I went to college to specialize in the legal field. Now I am going to run for District Attorney in Christiansburg.

Dr. Stanley Waters I went to school and then started practicing at Walter-Reed Hospital in Washington, D. C. I brought along some little red pills in case anyone has indigestion from Margaret's cakes and tea. By the way, the pills are a dime a piece.

When the last person had given account of himself, we broke up the party by singing the school song.

My name is [Name] I was born [Date] in [Location] and I am now [Age] years old. I am a [Occupation] and I have been working for [Company] for [Duration].

BASKETBALL TEAMS

BOYS:

The boy's basketball team opened the season on November 22, and their first victory was over Check. This game was easily won with a score of 49-27. Richardson and Poff were high scorers and each made 15 points.

The Shawnees took their second victory from Riner on December the 6th. The game was played on the Shawsville court. The final score was 38-7. Poff led the scoring for the Shawnees with 18 points.

On December the 10th, the Shawnee boys visited the Junior Varsity Team of Roanoke College. The game was well played, but the Shawnees were defeated by a small margin.

The game with Radford on December 13, was a thriller from the very beginning to the end. The on-lookers cheered loudly, since the game was unusually exciting. It was a tough struggle, and extra minutes had to be played; however, the Shawnees won by a score of 35-34.

December the 19th, brought another victory for the Shawnees. The game was played with Christiansburg, who had a 6 point lead at the half. As the end drew near, the Shawnees were only 2 points behind the Demons. The game ended with a tie of 29, so three extra minutes were played. Poff, on the side of the Shawnees, finally made the winning points.

Shawsville visited the Riner team on January the 10th, winning another game. The Shawnees stayed ahead, and at the quarter, the score was 9-4; at the half, 24-4. The final score was 8-34.

Bent Mountain players came to Shawsville on January the 20th, and were defeated by a score of 21-54. Richardson scored highest with 18 points, and Underwood followed with 14.

The Shawnees won over an independent team of Shawsville on January the 27th. This game was easily taken, 39-22.

The team of Roanoke College upset the Shawnees with a score of 26-25. The game was a most exciting one, as the college boys matched every goal of the Shawnees. Richardson was high scorer with 11 points.

On January the 31st, another exciting game with Christiansburg was played. The game was played in Shawsville and the score was 23-24, in favor of the Shawnees,

On February the 14th, the Shawnees had a tough game with Fieldale. This team was a well organized one and were victors, 41-27.

The Bob Cats of Radford took a game from the Shawnees on the 17th of February. The game was played in Radford and was not as exciting as the one played on the Shawsville court in December. The Shawnees seemed to have lost confidence in the beginning and were defeated by a score of 31-55.

On February the 27th, the Shawnee boys traveled to Blacksburg to enter the Group Two Basketball Tournament at the V.P.I. Recreation Building. Our boys started off well with a 3 point lead in the first quarter against the Christiansburg Demons. The Shawnees were still ahead at the half, however, the Demons put up a tough fight in the third quarter. The Shawnees played very well, though they lost, 24-26.

GIRLS:

The girl's team of Shawsville High lost their first game of the season to Check. The game was played on the Shawnee court, and the final score was 31-29.

On December the 6th, the Shawnee girls defeated Riner by two points. McNew was high scorer, and the final score was 19-17.

The Radford team visited Shawsville on December the 13th, and walked away with a victory. They had an extremely good team, and the game was rough with many fouls. The Shawnees played as well as could be expected because their opponents had the advantage of height.

Shawsville girls won a great victory over the Christiansburg girls on December the 19th. The game kept the spectators yelling, and at the half, the score was 9-10. McNew made 11 of the Shawnee's 22 points. The final score was 22-16.

On January the 10th, the Shawnees won another victory. Riner was the defeated team. The game was a thriller with a score of 19-25.

November

The Commercial Club with twenty-two members was organized with Mrs. Nester as sponsor.

Mrs. Frank Gardner resigned because of illness and Mrs. Henson came to join the faculty. Later it was necessary for her to leave us and Mrs. Swackhamer replaced her. We were sorry to have them leave but happy to have someone to replace them.

Everyone had a few days holiday for Thanksgiving.

December

School activities picked up this month.

The Boys and Girls Clubs were again organized with a large membership from all over the Allegheny District. Miss Sisson and Mr. Waters were sponsors for the girls and the boys were under the direction of Mr. A. H. Weikel and Mr. Givens Gardner.

The Christmas spirit came early and the school's decorations encouraged our holiday mood. On December 20, the entire student body enjoyed a program in the gym and afterwards gifts, piled high under the large Christmas tree, were distributed.

Everyone welcomed the Christmas Holidays from December 20th to January 2nd.

January

The Juniors sponsored a basketball game on the 13th played between the faculty and members of the Junior Class.

An infantile paralysis drive was launched in which \$39.80 was collected for the needy children.

February

The Commercial Club sponsored a volley ball game between the faculty and members of the club.

The 4-H Club held a meeting and officers for the coming year were elected.

Quite a few of the seniors have become engaged this year. They are: Ramona McNew to Warren Sisson; Nancye Morrisette to Harold Woods; Colleen Keith to Willard Winner.

March

The Glee Club was organized under the direction of Mrs. Corell and Mrs. Gardner.

April

The cast for the Junior-Senior play "He Was A Gay Senorita" was chosen.

On the 3rd and 4th a group of oddly dressed girls and boys were seen wondering about doing odd things. These were the new members of the Commercial Club who were undergoing initiation.

A special Easter program was presented in assembly by students in Miss Koch's Bible Classes.

Because of illness, it was necessary for Mrs. Smith, sponsor, to take an indefinite leave. We were sorry to lose her but were happy to have Mr. Smith, her father-in-law, as a substitute.

May

The juniors gave the seniors a banquet on the 7th at Longwood in Salem. Everyone that went thoroughly enjoyed themselves.

The Commercial Club enjoyed a weiner roast on May 15th.

The play was presented on May 24th to a large audience.
